The Anchor School

FOR IMMEDIATE RELEASE: July 7, 2026

The Anchor School to Provide Free Breakfast and Lunch for All Students

DECATUR, GA — The Anchor School (TAS) is pleased to announce that all enrolled students will receive free breakfast and lunch during the 2026-27 school year.

Through participation in the Community Eligibility Provision (CEP), TAS is able to offer healthy breakfasts and lunches to every enrolled student without requiring families to complete a free or reduced-price meal application.

Offering meals at no cost helps remove financial barriers, ensures every student has access to nutritious food, and allows students to focus on learning and growing each day. Families also benefit by eliminating meal fees and paperwork.

TAS is committed to supporting the health, well-being, and academic success of every student. By providing free breakfast and lunch to all enrolled students, the school is helping ensure every scholar has the nutrition they need to thrive throughout the school year.

For more information about the school's meal program, please contact TAS' Head of School Josh Pinto Taylor at joshpintotaylor@anchorschool.org.
