## - Ordering -

Comments on respective journals, related art pieces (i.e. those relating to commission work or openings) or Notes/PM's are acceptable for inquiring about receiving a commission from me. Please DO NOT send commission information if I have not yet requested it from you, especially if sent unlabeled.

During periods where commission slots are closed, I will gladly look at inquiries about the following; Pricing, TOS Questions, Questions pertaining to when slots will be open.

However, if commission slots are not open, I will not accept any requests for a commissioned piece.

## - Payment -

View Prices Here! (\*link not yet added)

Currently, I only accept Paypal (USD) and DA points as payment for commissions.

Payment via paypal will be sent to [Ailurucanis\[at\]yahoo.com](mailto:Ailurucanis[at]yahoo.com)

For DA point commissions, please contact user CrazyZombie8 @ Deviantart.com for further information.

- If your commission is approved, payment must be sent *as soon as possible*.
- Any unpaid commissions will not be started until full payment has been received.
- If payment is not received within 7 days, you will be notified that you may be removed from your slot; the user then has 3 days to submit payment or will consequentially lose their slot.

Note: *Adult artwork has an explicit 50% fee, and is only available for users 18+*

### - Process -

- Art will be completed in order of payment received. All commissions will be started and worked on as long as they are paid, but I make a point to complete and post that of the first user on my list. (Which will be the user who has sent payment soonest)
- A Rough Sketch WIP should take generally 1-3 weeks, and the completed piece will take up to 2 weeks following the approval of the sketch.
- Reference Sheet commissions CAN and WILL take upwards of 1-2 months due to the immense amount of time they take!!!
- Every commissioner will receive at least one rough sketch WIP! This will be used to assure the customer is content with how the piece will look before it is completed.
- Commissioners will also receive the final piece prior to posting, for final approval.

### - Rush work -

Please note that I will not rush my artwork!

If the piece is meant to be completed by a certain date, feel free to mention such and I will do my best to have it completed by then, but be warned I will not make any promises on a date of completion. Additionally, if I know I absolutely cannot have the piece completed by that date, I will let you know either immediately, or during the process of completing.

### - Usage -

You may absolutely use the piece commissioned from me how you please, you may repost it to your own profile/other sites, use it as a RP reference, backgrounds, etc; However, you must give me credit as the artist!

You may NOT do any of the following with the piece:

- Claim it as your original piece.*
- Use/Post the piece without given credit.*
- Alter the image and remove my credit as artist of the original piece.*
- Sell my artwork.*

All artwork I complete will more than likely be posted publically on the site of commission and potentially other art communities I am involved in (DA, Tumblr, FA)

Additionally, you will be added to my "Commission Archive" for future referencing.

I will not accept private commissions by request, if you would like to commission me privately and have your piece sent directly to you only (no posting) there will be a 50% Privacy Fee.

## - Cancellations and Refunds -

- If you have not yet paid for your commission, you are free to cancel any time by sending me a cancellation notice so I may remove you from the list.
- If a piece has *NOT YET BEEN STARTED* you may request a full refund at any time, and are not required to disclose your reasons.
- If a piece *HAS BEEN STARTED* but is currently only a base sketch (no line-work has been started) you may request a full refund, however your rights to the piece will be removed, and the sketch can and/or will be used as a future YCH, or for other personal means by myself.
- If a work cannot be re-purposed by myself, refunds can still be requested, but will not be awarded in full commission price. The amount refunded will depend on how much work has been put into the piece upon cancellation, and will be talked about with the customer.
- No Refunds will not be offered on any Completed (Full Color) Piece. Compensation may apply on an individual accounts basis.

- General, Mature and Adult pieces at their respective prices.
  - Any and all species of animals
    - Anthros
    - Ferals / Quads
    - Fantasy creatures / creations

- Streaming of your commission

(Please ask about this! Also be aware that if you would like the process streamed, it may affect the time in which I can complete said piece. Similarly, if you are particularly opposed to me streaming work on your commission, make me aware of it. I'll be sure to specially mark your piece as to not open it in stream.)

## - Won't Do -

## - Adult artwork by Request/Trade -

*If I at some point am accepting requests, I will not accept requests pertaining to Adult pieces. I will also mostly likely not do explicit adult pieces in an art trade (If the other user is willing to do an adult piece for me it may be considered ;3) Otherwise, all Adult artwork will be done by paid commissions/works only*

## - Styles -

*I will not draw artwork of characters in any style but my own; I will not draw stylized art, for example styles like: Sonic, MLP, Pokémon, Anime etc etc (I will still absolutely draw your pokemon/sonic character, but it will be in my personal style and will appear as cartoony/realism)*

## - Humans -

*Sorry, can't do them, won't do them and trust me, you wouldn't WANT me to do them.*

- My Characters -

*I will not do any piece involving my characters with your characters, unless it has been explicitly offered (for example in a YCH).*

- Their Characters -

*Please do not commission work using characters you do not personally own or have permission to use.*

- Copying -

*I will not under any circumstances reproduce, copy or replicate artwork that is not my own. You may send me others artwork for a pose reference / idea and I will make my own interpretation of its likeness, but it will never be identical, and I will not tolerate asking.*

- What I'm not practiced/good at -

Scenery and most objects tend to be a challenge for me, by all means you may ask for examples of this when looking to commission, and you may certainly ask I include these, as long as you are previously aware that it might not look the best.

- - - - -

*If you would like a piece that isn't listed in my will/won't do's and you are unsure of it, feel free to ask me if I'm willing to do said piece! (Either at the time of commissioning, or as a random question is fine <3)*
