

Post Graduate Government College
Sector-11, Chandigarh
National Handloom Day -2023
Report

Date: 12.08.2023

The Department of Public Administration and Department of Defence & Strategic Studies, PGGC-11 have organised Poster Making Competition and Handloom Item Making competition on the occasion of National Handloom Day 2023 under the theme- "Handlooms for Sustainable Fashion" on dated 07.08.2023. This remarkable day is giving us an opportunity to celebrate the legacy of the handloom industry and to promote the use of handloom textiles through the remembrance of the Swadeshi Movement of 1905 which was aimed at boycotting British goods in favour of Indian-made products. The significance of handloom weaving is an environmental friendly and sustainable substitute for machine-made fabrics. The competition of Poster Making Competition & Handloom Item Making competition was filled with a sense of enthusiasm for celebrating National Handloom Day 2023.
