

Al Furqan School - Student Awards

Criteria for selecting best Students at the end of the year:

- Academic Performance
- Attendance
- Overall good character and behavior
- Classroom participation and interest in learning
- Responsible behavior
- Respectful to peers and teachers
- Following discipline guidelines of the School

Student selection must be on the basis of merit, with no preference for children of friends or families.

Try not to reward the same student over and over again. The idea is to get more and more children motivated to improve.
