0:33 Welcome to the castle super 289 dollar profit cast~! In which we get a morbius update on how morbius returned to theaters only to generate that much profit per theater.

WEEK OF THE BEAST LORDS

WOOLIE

0:54 morbius sweep? Later. SF6? Also later. What you know about RRR?! A 3 hour epic on taking on the british raj in india as told through the directive prowess of singham

- 4:00 roar, rise, revolt. An epic of the sincerest form of the word. absolutely no subtext.
- 7:10 frolicing shirtless with your friend/rival. RRR bringing it back
- 8:00 the inglorious basterds style 'screw it' where soldiers can be both from the 1920 or from the vietnam war as necessary
- 8:51 the indian british occupation is ripe for classical villainy
- 10:20 governor scott as played by ray stevenson, and the british being the villains
- 12:44 the musical numbers
- 14:20 full rec for RRR
- 15:24 pat wanting to see indian movies come out like this as real movies (they do. They show up in theaters from time to time)
- 16:11 depicting heroic morality, and on the punisher.
- 17:58 poetic justice nd the villain getting their own comeuppance vs tie him up and GET HIM
- 19:11 the sheer sincerity, full patriotism. Compare to how something like parasite does it
- 20:26 fiction depictions, all animals are CG, dont worry. The gall of saying 'we dont wanna offend anybody...' as its a revenge film against the british
- 21:32 the complex groups in india

- 22:45 peak british villainy, having one of the good ones, doin air combos, sitting on someone's shoulder to fight

- 25:30 please watch it. And if you havent seen singham, then watch that too

- - 26:23 so on that morbius sweep... the morbius shitposts cost sony millions of dollars. And leto killed the joke

- 27:11 once more, the absolute lack of subtext. And wanting to see someone British watch RRR. And british vs. australian accents

29:20 woolie is IN to vampire survivors.

- 30:35 getting to the 3rd area, unlocked 5 characters.

- 31:03 they're not even trying to hide the totally an homage and not a ripoff style. And why photoshop bayo is photoshop bayo

- 32:41 the importance of passives

- 33:39 the pentagram

- 34:33 luck

- 35:13 getting to the 3rd level. And what happens at 30 minutes

- 37:49 the patch notes just lie.

- 38:16 runs and looks bad, but still is fun, on permanent upgrades nd being able to refund them

- 40:00 the reroll, skip, and banish

- 41:12 what determines how to get a chest with 1, 3, or 5 items? And evolved weapons and what to banish

- 44:58 bitrate dying

- 45:55 pat on the general progression and different kinds of builds and unlocks

- 48:08 every row of characters is more busted than the row above them

- 50:25 shouldn't be as good as it is, but it is. And another patch dropping soon.

- 53:18 is everything just a modified castlevania sprite?

- 54:13 getting into woolie's teppen time

55:18 kamen rider super climax heroes. And on raiding

- 56:52 breaking news: Jeff gerstmann has left giantbomb

- 58:01 kamen rider is fun. Doing rider kicks with full explanation.

- 59:47 fan patches to have some english in

- 1:00:06 its a wii game.

1:00:14 the first rage quit on get into fighting games with shrek super slam, and being factually correct on everything in kamen rider.

- 1:03:16 someone working on an HD retexture.

- 1:03:50 a trailer for over the hedge

- 1:04:26 movement cancel options means competitive scene

- 1:05:57 surprisingly no copyright issues. Hopefully

1:06:19 so, some word on kotor 2. Since for pat 16 of his videos have suddenly been blocked

- 1:07:52 on the obi-wan tv show and what they've heard. And some issues with FF6 getting copyright claimed

- 1:08:55 from what he's hearing the show sounds like a red letter media bit

- 1:10:44 on not needing to go over every second of a person's life. Pat and the area between mgs3 and mgs1

- 1:14:29 an entire galaxy but a story of only the same few people. Somehow, palpatine returned...

- 1:15:57 mark hamill trashing on star wars for 9 minutes straight

- 1:17:29 the star wars twitter account just revealing info not in the movie
- 1:18:24 a character now being the complete inverse of what they used to be
- 1:20:13 if you have a laser sword, screw you
- 1:21:41 go check out woolie over at woolieversus! Mass effect continues. Running into some difficulties with reggie being horny on main
- 1:23:08 GLASS HIM moments
- 1:24:37 the games give you all the info you need involving sex. Stick just the tip into a relay...
- 1:27:01 a more silent-ish LP, letting reggie take the reigns
- 1:28:00 elden ring continues on. Cleaning up some old areas before the manor.
- 1:28:40 for get into fighting games, Saturdays will be spotty. And rumbleverse will be back for a beta soon

PAT

- 1:30:21 AI: somnium files. An oppai shirt but they look like eyes because opp-ai
- 1:30:56 kojima just tweeted. Amino acids discovered in sand on an asteroid. seeing inside his brain.
- 1:32:27 watching the X-files, scully and 100 other people seeing a fishman in season 2
- 1:34:23 watching it in the middle of a stranger things season 4. On not wanting to watch the same cast and the cast constantly growing.
- 1:37:10 the average X-files episode: monster of the week. Same with star trek
- - 1:40:54 the transporter mishaps
- - 1:43:42 star trek as a fiction where you can have any type of story you want
- 1:45:46 signalis, a demo is now out. Nails everything is going for.
- 1:47:08 about 20 minutes for the demo
- 1:47:57 no VA, but it does some cool background noises. And the influences are very obvious

1:49:21 card shark. Its a cool game about cheating as hard as possible. Something similar to warioware

- 1:52:35 voltaire is there

- 1:53:30 the progression so far.

- 1:55:10 what happens when you get caught? A game of cards with death

1:55:53 go check out pat over at patstaresat! This week is that game announcement week, you know? And geoff and kojima's friendship
