DON'T START NOW - Dua Lipa

[INTRO]:
```
Bm                    D      Em
   If you don't wanna see me
```

[VERSE 1]:
```
              Em        Bm
Did a full one-eighty, crazy
G                      D
Thinking 'bout the way I was
                  Em        Bm
Did the heartbreak change me, maybe
    G                     D
But look at where I ended up

      Em                    Bm
I'm all good already, so moved on, it's scary
        G                   D
I'm not where you left me at all, so
```

[PRE-CHORUS 1]:
```
Bm                   D                        Em   G
   If you don't wanna see me dancin' with somebody
Bm                D                       Em      G
   If you wanna believe that anything could stop me
```

Don't start caring about me now

Walk away, you know how

Don't start caring about me now
```

Though it took some time to survive you

I'm better on the other side
```
