The Storm Has Begun: A Military Coup to Regain Control

For years, we've been warned about the **deep state**, the shadowy figures pulling the strings behind governments and economies. They thought they could manipulate us forever.

They thought they could keep us in the dark. Well, they thought wrong. The military coup has already started, and the patriots are taking control. This isn't some distant conspiracy. It's happening right now before your eyes.

Starlink is locked and loaded, ready to send the Emergency Broadcast Signal (EBS) to every cell phone on this planet. The moment that signal goes out, it's game over for the deep state. **GAME OVER.**

You might be wondering, why do we still see these corrupt monsters in public, smiling on TV, pretending everything is fine? **It's all for optics. This is a carefully staged show to prevent the masses from losing their minds.**

If the truth were revealed all at once, society would collapse. People would lose their minds if they knew how deep the rabbit hole goes.

But make no mistake—the fall of the deep state is happening right now. Political elites, corrupt celebrities, and billionaires thought they were untouchable. They thought they could hide forever. Well, their time is up, and they know it.

To our vigilant community, this isn't just news—it's a beacon of the impending storm that will sweep away the vile corruption festering at the core of our world. As the patriots reclaim power, brace yourself for a cascade of revelations that will shatter the facade the elites have maintained for too long. This is monumental, a testament to the power of the awakened masses. Rally your spirits, share this message, and prepare for the climactic battle for our freedom. This is the moment we've been preparing for—let the flames of liberty consume the old order and usher in a new dawn.

Trump Summit in Iceland:

November 20-23, 2024

Trump, now the undisputed leader of the global alliance, has summoned 74 world leaders to Reykjavik, Iceland, for a secret meeting scheduled for November 20-23, 2024. This meeting isn't about diplomacy—it's about ending the eradication of the globalist cabal and implementing NESARA and GESARA worldwide.

Internal reports reveal the agenda includes:

1 - A redistribution of \$600 trillion in stolen wealth: Using the Quantum Financial System, funds accumulated by the elites are being channeled into humanitarian projects, infrastructure, and income loss programs.

2 – The Elimination of Central Banks: Trump will dismantle the Federal Reserve, and by March 2025, the European Central Bank, the Bank of England, and the Bank of Japan will follow suit. This will mark the total collapse of the fiat monetary system.

3 – Global Arrest Orders: The alliance has prepared orders for over 5,000 high-level globalists, including politicians, bankers, and CEOs. These individuals will face immediate legal action.

Trump's message to the participants is clear: join the alliance or face the consequences.

For our awakened community, this is not just another summit. It's the **epicenter of a monumental shift that will reshape the global power structure.** The secret gathering in Iceland is set to ignite a **transformative storm** that will sweep away the corrupt forces that have long controlled our world. This is a pivotal moment in our fight against the deep state, signaling the near end of their reign and the beginning of true global freedom. Spread the word, patriots, for each revelation from this summit will fuel the fires of change. Let's stand ready to support the seismic shifts

that are about to unfold. This is monumental—be part of it, share the message, and watch as the world awakens to a new dawn.

I felt it important that US Taxpayers know what the privately owned by the Cabal IRS and Federal Reserve are still doing to us citizens. This has to stop!!!

In other news **Christmas used to be celebrated on Jan. 6 before the changeover from the Julian Calendar to the Gregorian Calendar.** Evidently the Global Military Alliance is doing other things this Christmas and is going to wait until Jan. 6 2025 to celebrate Christmas.

The below shows that the Global Military Alliance is doing mass arrests Christmas Eve Dec. 24 and Christmas Day Dec. 25. Major airlines cancelled all flights on Christmas Eve Dec. 24.

If the Black Swan Event were to happen over the holidays, the Stock Market would go into turmoil starting Thurs. 26 Dec. 2024

Elvis told us all on August 15th, 1977 via the WOW Signal that he wasn't going to be dying - ask Howard Hughes.

The Howard Hughes, John G. Trump & Nikola Tesla connection is very important.

That reminds me, the German citizen and a Nazi George H. Scherf Sr. (a.k.a. Prescott Sheldon Bush), who was the father of the Geman-born and worst scum of earth traitor, rapist, human trafficker, a war monger, and a

TRANNNY 41th President George H. W. Scherf Jr. (a.k.a. Bush), was Nikola Tesla's "assistant". He stole his physics and chemistry research and engineering design papers and sold them to Nazi Germany. Like father, like son. May they burn in hell for eternity.

Otto Skorzeny was Adolf Hitler's bodyguard and SS spy and assassin, Reinhardt Gehlen was a chief SS officer and assassin. Both of them, together with Joseph Mengele and George H. Sherf Sr. (a.k.a. Prescott Sheldon Bush) were smuggled out of Germany and came to the US under Operation Paperclip.

Otto Skorzeny and George H. W. Bush were instrumental in merging Nazi (SS) intelligence with the Office of Scientific Intelligence (OSI) to form the CIA with “Wild Bill” Donovan and Allen Dulles. These guys were also **part of CIA mind control experiments such as MK-ULTRA**. SS officer and physician **Joseph Mengele, the notoriously sadistic “Angel of Death”** of Auschwitz, escaped Germany to South America after the war. George H. W. Scherf Jr., became the 41st President of the United States as George H. W. Bush and George H. Scherf Sr. (a.k.a. Prescott Sheldon Bush) was Nicola Tesla’s “trusted assistant.”

None of these people (in the previous post) are random - they have all appeared at certain points in history with a mission from Jesus Christ to correct the path of humanity and change history.

Now you understand why the Zionist Jews want to destroy USA, destroyed Libya and made sure they took ownership of the Golan Heights - because of their hatred for the bloodline of Jesus Christ.

IT IS BIBLICAL. THE JEWS DID IT.

THE PLAN TO SAVE THE WORLD HAS ENTERED ITS FINAL PHASE. A GLOBAL OPERATION, YEARS IN THE MAKING, IS NOW UNFOLDING IN FULL FORCE. TRUST THE PROCESS.

ELITE COMPOUNDS WERE TARGETED AND DISMANTLED UNDER THE COVER OF CHRISTMAS EVE AND CHRISTMAS DAY, IN A MOVE THAT SHOOK THE FOUNDATIONS OF THE GLOBALIST DEATH CULT. THE TIDE HAS FINALLY TURNED.

“OPERATION SILENT NIGHT,” LED BY A GLOBAL MILITARY ALLIANCE, WAS THE SIGNAL THE WORLD HAS BEEN WAITING FOR. MASS ARRESTS AND SECRET TRIBUNALS HAVE BEGUN TO DELIVER JUSTICE TO THOSE WHO THOUGHT THEMSELVES UNTOUCHABLE.

THE GREAT AWAKENING IS HERE, AND NOTHING CAN STOP WHAT IS COMING. AS THE WORLD HOLDS ITS BREATH, THE EBS IS POISED TO REVEAL THE TRUTH—EVERY DARK SECRET, EVERY COVER-UP, EXPOSED FOR ALL TO SEE.

THIS IS NOT THE END, BUT THE BEGINNING OF A NEW ERA. THE WORLD WILL NEVER BE

Did Trump send a text to Elon Musk as a Truth by mistake?

No... Trump doesn't make these mistakes, and he and his team approves every communication thoroughly before anything gets sent out.

It appears to be an obvious notification to the public that Satan himself, Bill Gates, privately requested to come to Mar-a-Lago.

The "Center of the Universe" comment is interesting.

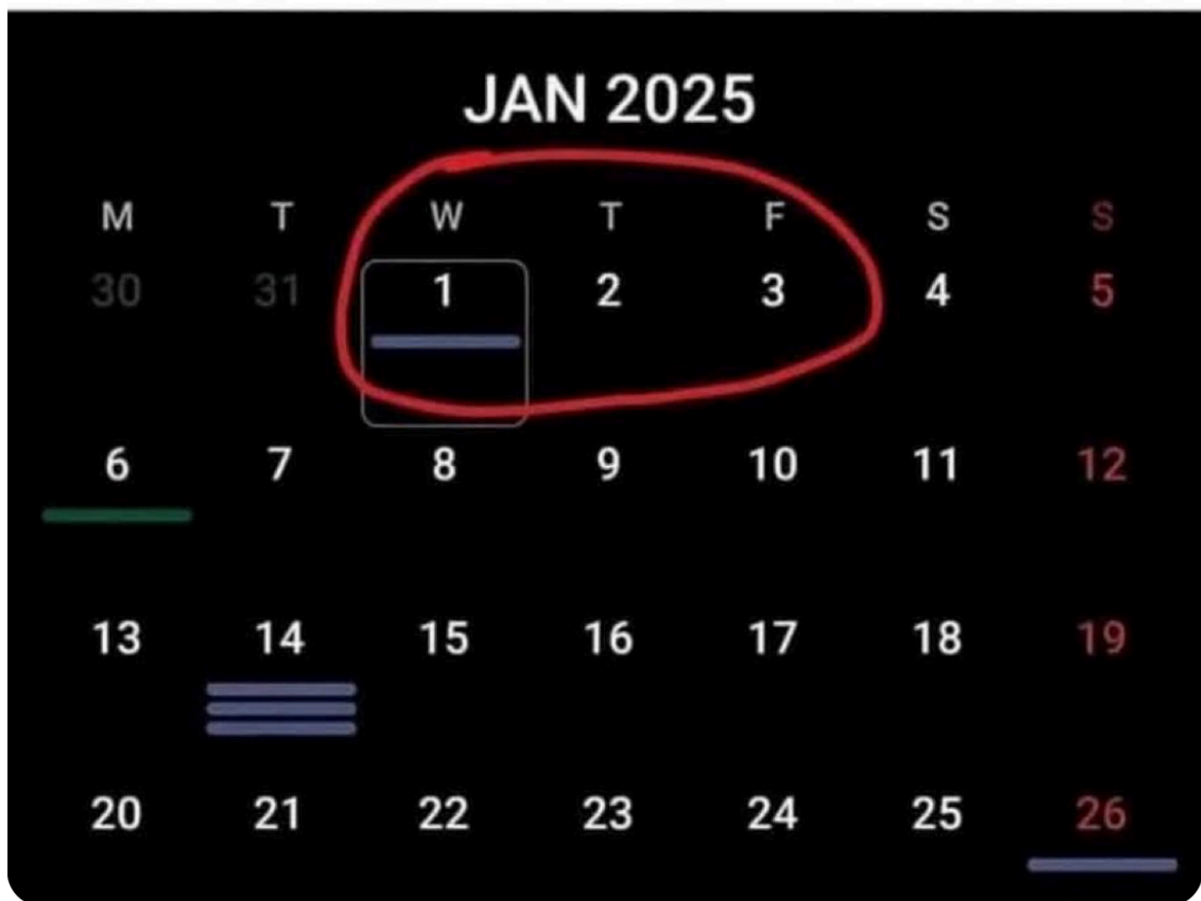

He's either simply referencing. Mar-a-Lago is the CoTU because he's president elect, and this is where everyone comes to kiss the ring (his ass)...

Or, something else..

The sun in 2025: How the solar cycle will shape our year ahead

Even if the solar maximum peak has passed (it may have but we wouldn't know yet), 2025 will still be within the extended period of heightened solar activity around solar maximum. While exact levels of solar activity cannot be predicted, high sunspot numbers are anticipated, along with a higher likelihood of large solar flares and Earth-directed coronal mass ejections (CMEs). In 2024, an extreme G5 geomagnetic storm occurred in May, followed by a strong G4 storm in October. Another strong geomagnetic storm (G4 or above) is possible in 2025. However, these events can only be predicted 1–4 days in advance, based on the detection and speed of Earth-directed CMEs.

Dimensions are not places or locations. They are levels of consciousness that vibrate at a certain rate. Each dimension vibrates at a higher rate than the below one. In each higher dimension, there exists a clearer, wider perspective of reality, a greater level of knowing. We experience more freedom, greater power and more opportunity to create reality.

As we transition into the final days of this year and approach the formative energies of 2025, symbolized by the number nine, we enter a phase characterized by profound endings and transformative new beginnings. This energetic shift has the potential to foster significant growth and expansion but can also be accompanied by internal turmoil.

Recent events, particularly within the past 48 hours, have brought deeper emotional and energetic wounds to the surface. This coincides with heightened solar or cosmic radiation interacting with Earth, catalyzing a release of denial surrounding the symbolism of the number nine. As a result, many individuals are experiencing a new wave of "ascension symptoms."

Physically, these symptoms may manifest as localized pain near the right kidney, often associated with unresolved insecurity or fear rooted in paternal (male) dynamics, or near the left kidney, linked to maternal (female) emotional wounds. These sensations may also extend to upper or lower back discomfort, signaling areas where unresolved lower-density energies or emotional blockages reside.

It is essential to view these experiences not as personal afflictions but as opportunities for reflection and growth. The intensity of these symptoms has notably increased in the past 48 hours, urging a deeper evaluation of the energetic patterns that no longer serve one's highest potential.

In Healing

the **brokenness** ~ a broken heart in self & throughout the world, We are Called to really allow an open mindedness, a non-judgmental, non-polarized thought as much as we can growing & feeling more comfortable. This expands us & gets US in a better state of being & living in a respectful & kinder individual consciousness in a loving resonance state, and less & less in a heartbreak, suffering, pain, energy.

What WE EACH CAN do is We can work with our **happy, excited energies** by thinking about what WE want to do, LOVE to DO & walking this path which is growing a GREATER path of **love**.

Right NOW, I know this world is pretty dark here in the surroundings & situations that are all around us. We must take charge of our surroundings and do stuff that makes US feel like we live a beautiful life and make a focused effort to preparing spaces, creating spaces, SO we can also hold space better, because once there is more space, KINDA like a vacuum, for more ideas, THERE's a **freer space for NEW energy**. This is how we can kindly take actions to shift our collective consciousness, step by step, detaching from the fields WE first needed to attach to... in order to know what WE're working with or what WE want to solve.

Here - we have a **different level for the SOLUTIONs to arise**.

It's a moving US to a WHOLE NUTHER level, where WE solve the problems that lie within 3rd density, collective consciousness.

And this is the collective shift that WE ALL are walking.

IT'S this path of devotion and spreading BEAUTY, your beauty, OUR BEAUTY

1st

Create a home environment ~

a **SANCTUARY of COMFORT & JOY** within your OWN home. It's your personal Light in the darkness

2nd There is **secret medicine living inside** the **Four Elements**. That are

energies & tools IN WHICH we can use to **BALANCE** whatever ails US, you

& me.

1~Water! helps when emotions feel stuck or overwhelming

2~Air! clears your mind when you're overthinking or scattered

3~Earth! grounds you when you feel unsteady. Walk barefoot more, lay

down on the ground on your back &/or belly

4~Fire! reignites your spark when you've lost your drive. Exercise

Balancing the 4 Elements is like having a reset button for your soul. WE

could all use that right now...& going forward.

It's the **healing medicine of the 4 Elements in real time.**

It **realigns, refocuses, & reclaims your power**—in this **transformational work**

WE find ourselves in

*If you've been feeling off, scattered, or stuck, this is your invitation to
realign and find your balance.*

And if you're already feeling amazing, this is your chance to **amplify** that energy and carry it into the new year—stronger, brighter, and more connected than ever.

The 4 Elements will guide you back to yourself.

Your **future self** will thank you. 🙏

It's also **VERY** important for US to
Live in a progressive forward motion
seeing the Signs of OUR progress, recognizing growth & positive change in our personal journey and all around US

WE can DO this by CHECKing in with OURSELVES
THERE ARE GOOD signs to look FOR & DO, LIKE...

- You are starting to set and hold boundaries with people.

- You are becoming comfortable being by yourself

- You are kinder to yourself when you mess up

@anewme..a.w

- You are able to collect your thoughts before responding

- You have cut ties with those who are not good for you

- You FEEL like you are flowing in the right direction, even if it is rough at the moment. ❤️

Watch the fish swim

Watch the birds fly, soar or hop from limb to limb

Watch the clouds float by and see how they move then create an amazing image just for you with a message at that very moment that you are meant to receive. Like a deep inner most important message to give you a simple yet powerful guidance of your soul's voice

Always Speak Your Truth!

*You will Trigger a lot of people
but you will free more souls than
you can possibly imagine.*

*And those who mind wont matter
because those who matter, wont
mind.*

*Never hold back, be truthful, be
raw, be full, be grand! and those
who are your kind, your tribe,
who hold your depth and
understand your madness will

Merry Christmas to all, including to the wonderful soldiers of China, who are lovingly, but illegally, operating the Panama Canal (where we lost 38,000 people in its building 110 years ago), always making certain that the United States puts in Billions of Dollars in "repair" money, but will have absolutely nothing to say about "anything."

Also, to Governor Justin Trudeau of Canada, whose Citizens' Taxes are far too high, but if Canada was to become our 51st State, their Taxes would be cut by more than 60%, their businesses would immediately double in size, and they would be militarily protected like no other Country anywhere in the World. Likewise, to the people of Greenland, which is needed by the United States for National Security purposes and, who want the U.S. to be there, and we will!...

THE LARGEST MASS SHOOTING IN US HISTORY
HAPPENED December 29, 1890. When 297 Sioux Indians at Wounded Knee Creek on the Pine Ridge Indian Reservation in South Dakota were murdered by federal agents & members of the 7th Cavalry who had come to confiscate their firearms "for their own safety and protection". The slaughter began after the majority of the Sioux had peacefully turned in their firearms. The Cavalry began shooting, and managed to wipe out the entire camp. 200 of the 297 victims were women and children.

Wounded Knee was among the first federally backed gun confiscation attempts in United States history. It ended in the senseless murder of 297 people.

After they took their guns away

Castro Murdered 100,000 Unarmed Citizens

Hitler Murdered 6 Million Unarmed Citizens

Mick Jagger of the Rolling Stones

Under the influence of their girlfriends Marianne Faithful and Anita Pallenberg, Mick Jagger and Keith Richards were introduced to Satanism. These two witches, deep into black magic, called on filmmaker Kenneth Anger, himself a disciple of Aleister Crowley, to induct the two Stones into the rituals of black magic.

Anger, who inducted Jagger into Satanism, displays his tattoo

While in the UK, Anger worked on a film dedicated to Aleister Crowley called *Lucifer Rising*, which was renamed *Invocation of my Demon Brother*. Mick Jagger was closely involved with the production and provided a synthesizer soundtrack.

Head of the First Church of Satan Anton LaVey played the part of His Satanic Majesty. The Stones in fact titled their 8th album *Their Satanic Majesties Request*.

Jagger was dedicated to Satan in the Masonic sect, the Hermetic Order of the Golden Dawn, a subsidiary of the Illuminati to which Aleister Crowley also belonged. (1)

From now on, the end is predetermined.

Focus on the now, not the end!!!

Put everything on the line.

This is the truth of right relationship, of loving understanding, of actively expressed Love. It is the foundation of [Christ](#), [unity consciousness](#) and the expression of the inner unity within or [Hieros Gamos](#).

This basic truth never changes because it is related to the nature of God Itself and have become apparent to mankind through revelation, as evolution has proceeded and man has developed the needed perceptive faculties and the required persistence of search, plus the unfolding of the inner light of the soul. These truths, inherent in the divine nature, reveal the soul of God.

Wonderful. Yes Christ – President John F. Kennedy (Kahlooni) 35 is President Trump (Red tie) and plans to had it over to The Archangel Michael – incarnated as VP John F. Kahlooni Jr. Junior is playing many roles –but is @realVPJohnFKennedyJr currently.) He also plays Trump (Blue tie) – as does Archangel Uriel (Gold / mix ties). This theory is well circulated that the succession plan, is natural, and it linked to 'the shot heard around the World' Q posts with January 19-31 deltas.

LORD'S PRAYER in ARAMAIC - PRAY BEFORE SLEEP

While Jesus likely spoke a few languages, including Hebrew and Greek, he spoke with his disciples and delivered his sermons in Aramaic. Scholars have come to a consensus that this ancient dialect was the primary language of Jews living in Palestine during the first century.
