

Students Ambassadors Training

October 2016

Our **Student Ambassadors** received today, Tuesday October 4th a Public Speaking Workshop about assertive communications and image. We thank **Mrs. María Fernanda Villamarín**, who is also a COJOWA mother, because she led this workshop.

Field Trip

On Thursday, October 17th our Student Ambassadors group enjoyed an education field trip, first visiting the Preschool and getting a tour from Ms. Gloria Tangarife, Preschool Principal, to refresh their knowledge on that campus. Then they proceeded to visit two companies, Contecar and Sociedad Portuaria de Cartagena, they not only heard each company's history and functions data, but they also learned about the importance of innovation, technology, and team work in these amazing, and continuously awarded companies.

Thank you Contecar and Sociedad Portuaria de Cartagena for opening your doors to our students!
