President's Notes:

It is hard to believe we are heading into the last four months of the school year. I often use the analogy of a marathon when talking about how I approach the school year. We are more than halfway through the school year. We have settled into our pace and are looking to finish the year strong. Keep cheering each other on in the coming months and visualize crossing the finish line strong. As we look ahead we have plenty of work to accomplish both in the classroom with our students and within our Pulaski Education Association. Please see the information below.

February:

Primary Voting, Tuesday, February 20, 2024

Get out the Vote! We have three candidates running for the at-large school board seat. It is important to get out to vote to narrow down the field of candidates. Currently the following candidates are seeking the position: Steve Liegl, Jennifer Rybicki and Corey Juelich. Please see the responses to the PEA questionnaire shared by each candidate.
