### **Call-In Script**

Hello [Legislator],

I am a resident in [name area]. I am calling today because my community cannot afford to be undercounted in the upcoming Census.

**Can we ask you to commit to supporting at least \$40 million dollars in the state budget for CBO's to conduct community based outreach for the Census 2020 by making a public statement or tweet?**

IF YES:

Thank you so much for your support.

**Will you join your colleagues' sign-on letter in support of including \$40M Census Funding for CBO's in the 2019 Budget?**

IF NO:

The Census affects billions of dollars of federal funding and loss in political representation. New York has traditionally always had an undercount. It is a legislator's responsibility to ensure that our districts receive adequate funding. I ask that you reconsider your position.
