

ZeeZee Adventure Tent - Instructions

Welcome!

Now that we have wrapped our Kickstarter campaign and as our website is currently being developed, we will use this document in the interim for instructions and tips. As we refine our content here based on your questions, we will be able to finalize and update on our website soon. Let's get started!

Topics:

- Getting Started
- [Tent Assembly](#)
- [Smart Lights](#)
- [String Globe Lights](#) (Ideal for exterior of tent)
- TBD

Getting Started

Yay! Your ZeeZee Adventure tent has made it to your home! In case you have misplaced your care card from your package, here's a quick reminder as you get started.

Child Development Tip: Research shows that engaging in imaginative play with consistent themes for at least 7-10 days fosters deeper creativity and critical thinking. To keep things fresh and exciting, consider rotating the StickeeZ themes regularly to inspire new adventures and storytelling!

EASY SET UP :

Wrinkles? No Worries!

To keep shipping eco-friendly, items are compressed, causing wrinkles.

Let it sit for a few days or use a fabric steamer to smooth them out.

Easy Assembly

Setting up your ZeeZee Adventure Tent is as simple as 1-2-3! Snap the poles together, slide them into the fabric slots, and your adventure begins.

Create Your Own Worlds with StickeeZ!

StickeeZ can be easily attached and detached both inside and outside the tent. Create your own worlds—let the imagination flow!

Use the Loop for Your String Lights

Use the top loop of the tent to hang your string globe lights. One side easily detaches for adjustments.

CARE INSTRUCTIONS :

Tent Fabric: Hand wash only. For stains, use fabric stain removers or mild detergent.

A WORLD OF WONDER AWAITS!

Begin your journey of boundless imagination! Whether you're exploring enchanted forests, floating through distant galaxies, or simply in need of a quiet place, the ZeeZee Adventure Tent turns every moment into extraordinary adventures.

Tent Assembly

Get ready to step into adventure! Setting up your ZeeZee Adventure Tent is quick, fun, and designed to be as *Easy with ZeeZee*. With lightweight and sturdy white fiberglass poles, you'll have a magical play space ready in less than 5 minutes.

Step-by-Step Assembly Instructions:

1. Unbox Your Adventure:

- Inside the box, you'll find your tent fabric, white fiberglass poles, and ties for securing everything in place.

2. Connecting the Poles:

- Each fiberglass pole is held together by elastic connectors, making them easy to assemble.
- Simply line up the pieces and snap them together—no tools required!

3. Inserting the Poles:

- Start from the **bottom** of the tent. Locate the pocket base where the pole inserts. **The white tip should be at the bottom and the pink tip facing the top!**

- Slide the pole into the pocket and work your way up, gently bending the pole to fit through the **center ring** and all the way to the top of the cone.
 - At the top, insert the pole into the pocket to secure it.
 - 4. **Securing the Poles:**
 - Use the included ties to tighten the poles in place and ensure your tent is sturdy and ready for play.
 - 5. **Final Touches:**
 - Once all poles are in place and secured, adjust the fabric as needed to ensure it's smooth and even.
-

Helpful Tips:

- **Safety First:** The fiberglass poles are designed to be light and safe for kids, but always make sure they're securely in place.
- **Fast Setup:** With practice, assembly can be completed in just a few minutes—perfect for busy parents and excited kids!

Done?

Congratulations! Your ZeeZee Adventure Tent is ready to transport your little explorers into a world of imagination. Let the adventures begin!

ZeeZee Smart Lights

Note: this is NOT the same as the blue globe string lights.

Brighten up the fun! Your ZeeZee Smart Lights are here to make every adventure magical. Whether you're creating a cozy reading nook or an intergalactic spaceship, these lights bring imagination to life with just a few taps.

Step-by-Step Instructions:

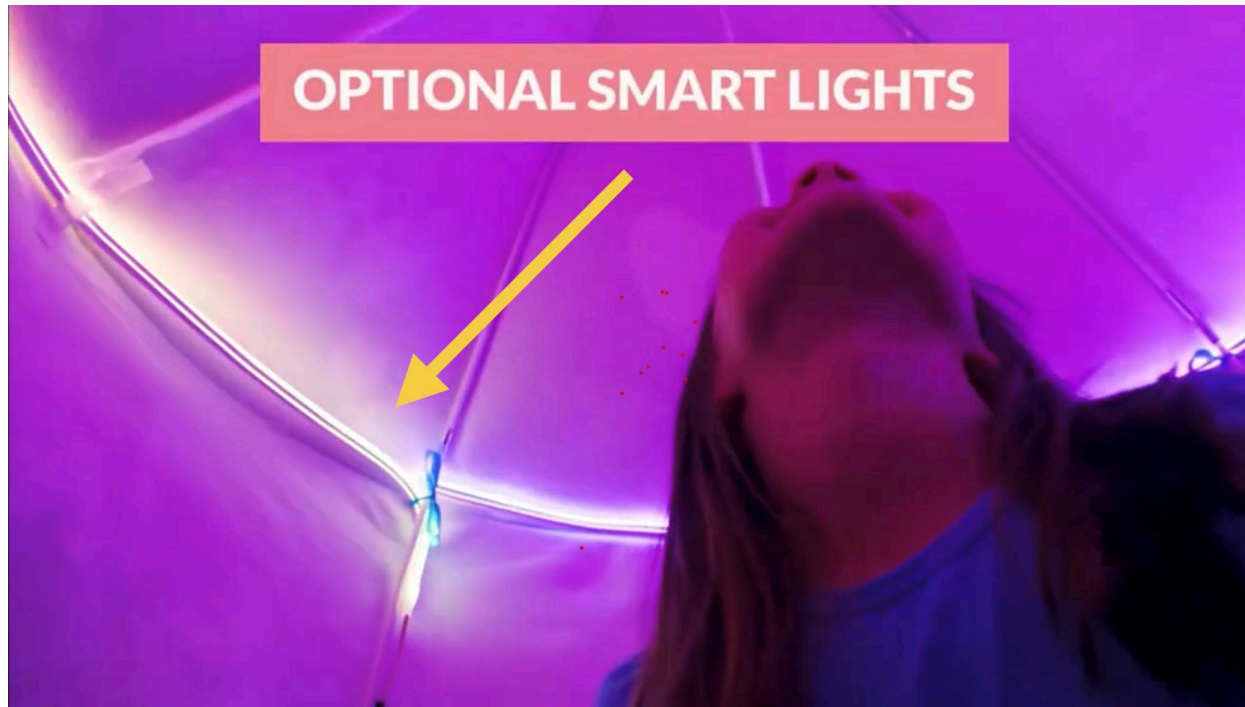

1. Unboxing the Magic:

- In the box, you'll find your Smartlight strip, a power cable with an adapter, several plastic clips, and a QR code for app setup.
- The light strip can be attached to the clips by simply snapping them in. Space the clips evenly for a neat look.

2. Attaching the Lights:

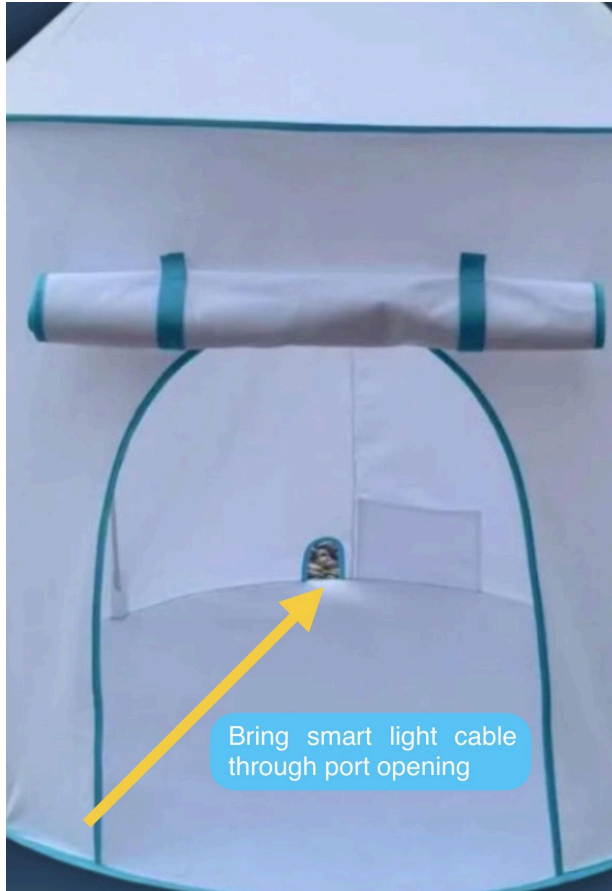

- The back of the clips features StickeeZ adhesive to hold the lights securely in place.

- **Recommended spot:** Attach the light strip around the inside of the tent, just below the top ring where the cone begins. This creates a glowing effect that lights up the entire space!

3. Running the Cable:

- Bring the light strip's cable from outside through the small opening at the back of the tent near the bottom.

- Run the cable up along the inside of the tent to the clips and attach the light strip securely.
- For safety, keep the adapter outside the tent and plug it into a nearby outlet.

4. Scan and Control:

- Scan the QR code on the Smartlight box (*note: this QR code is on the light box and is not the same as the QR code on your ZeeZee Tent insert card*) to download the companion app.

- The app lets you control the lights directly from your smartphone, offering even more ways to customize your tent's glow.
 - You can also connect the Smart Lights to Alexa or Google Assistant for voice control! Additional instructions for setup can be found in the enclosed manual.
5. **Powering Up:**
- Once the adapter is connected, turn on the lights using the remote, control button, or app. Let the magic begin!
6. **Changing Colors and Modes:**
- Use the app, remote, or control button to explore different colors and lighting modes.
 - Choose from solid colors, rainbow fades, twinkling stars, or animated effects—perfect for matching your StickeeZ themes!
7. **Pro Tips for Fun Lighting:**
- Turn on a soothing animation for a calm, dreamy atmosphere.
 - Create an underwater vibe with moving blue lights for Ocean Adventures or twinkling stars for Space Voyages!
 - Experiment with different settings for endless fun and creativity.
8. **Safety First:**
- Keep cords away from little hands and feet to avoid tangles.
 - Always turn off the lights when not in use and ensure the adapter remains outside the tent for safe playtime.
9. **Need More Help?**
- Check the enclosed instruction manual for more details about app setup and smart home integration.
 - If you need additional assistance, please send us an email and we'll do our best to help you.
-

String Globe Lights (ideal for use outside the tent)

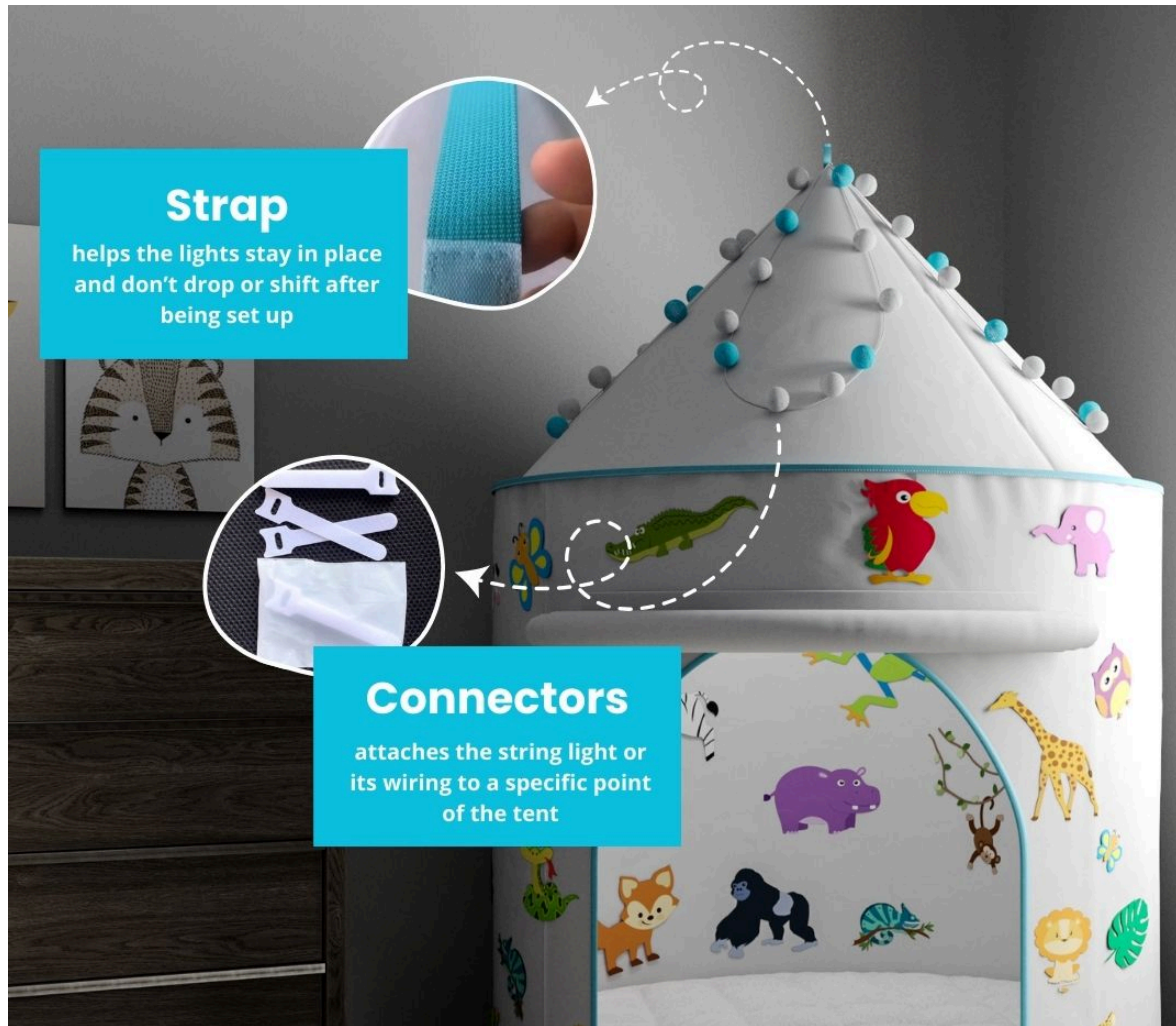

Cozy Meets Magical!

Add an extra sprinkle of magic to your ZeeZee Adventure Tent with our String Globe Lights. Perfect for creating that warm, dreamy vibe—whether it's a nighttime hideaway or a glowing basecamp for your next adventure.

Step 1: Get Ready to Shine

- Unpack your string globe lights and make sure everything's untangled for a smooth setup.

- Find the perfect spot to drape your lights around the **outside** of your tent.

Step 2: Pass Through the Top Loop

- At the very top of the tent, there's a detachable loop for threading the lights.
- Gently open one side of the loop, pass the globe lights through, and secure it back in place.

Step 3: Style Your Lights

- Use the included connector straps to attach the lights in your preferred style—wrap them around the tent's frame, drape them like a curtain, or go freestyle!
- Make sure the lights are spaced evenly for that perfect cozy glow.

Step 4: Secure the Battery Pack

- The String Globe Lights are powered by a battery pack. For safety, secure the battery pack using the connector straps at the back of the tent, ensuring it's out of reach of little hands.

Ready to Glow?

Let your String Globe Lights shine bright and make every adventure even more magical!
