

UKELA Student Competitions Application Form

Thank you for entering a UKELA student competition. In order to maintain fairness and impartiality in judging, your entry should be made on an anonymous basis and attached to this application form. You should, therefore, ensure that nothing on your entry may lead to your identification by any of the judges. For example, do not include a header or footer with your name or educational establishment on it.

In order for us to administer your entry however, please complete and include this cover sheet with your entry. It should be returned with your entry by email and by the closing date for the competition you have entered to info@ukela.org. All applications will be acknowledged.
