DISTRICT NEWS

1. Roofing update- In February, the district entered into a contract with NorthPoint, a third party adjuster, to look at all the roofs in the district. In July, there was some question as to the validity of the contract. After review by the school attorney, the contract is valid and the district is moving forward with the company. It is hopeful, NorthPoint and OSIG will come to an agreement soon on the estimated damage so that repair and replacement can begin.
 2. Approximately 35 community members showed up to last night's board meeting to discuss the Return to Learn Plan. There were a number of concerns related to quarantine requirements.
