Email: ramji.subhash2@gmail.com

Experience: 1 year 10 months

Teaching: 1 Year 10 months

Industry: No

Career Profile

Year	Organization	Role
June 2019 to April 2021	Krishna University college of Engineering and technology	Guest Lecturer

Qualification

Degree and Date	Board / University	Date of Completion	% Marks
M.Tech	JNTU K	Dec 2015	62.5
B.Tech	ANU	April 2010	66.5

The subjects handled:

Digital IC Applications,
VLSI Design,
Digital Signal Processing,
Optical Communications.

Certifications

Certification	Date Certified
Microsoft Certified Technology specialist	Dec 17, 2011

Affiliation to Professional Bodies

Publications

1. Paper Name: An enhanced Logarithmic number system Adder/subtractor for low power DSP applications.
Journal Name: International Journal for Research and Development in Science and Technology
2. Paper name: Study of DSP architectures for wireless sensor nodes.

Journal name: International Journal of Applied sciences, Engineering and Management.

3. Paper name: AES and RSA encryption based protocols for cognitive radio network applications

Journal name: International Journal for modern trends in Science and Technology.

Conferences, Seminars, Workshops & Guest Lectures Attended

- ☐ Participated in 3 day VLSI workshop on “Digital design and verification using Verilog” conducted by Chip edge technologies, Bangalore.
- ☐ Undergone In-plant training in Bharat Electronics Limited, Machilipatnam for a period of 15days.

Events organized/ Conducted

- ☐ Organized a national level paper contest with name Vidura' 10 in DMS SVH college of Engineering & Technology as a Student coordinator.

Funding Projects Handled (If any - Please provide the details of the project)
