

[F4M][Script Offer] Trade Offer from an Alraune
[Fdom] [Blowjob][Cunnilingus] [Draining][Standing Sex][Creampie]

New format for script. First time I will try to make a script of this style.

I tried to go for a more "vanilla" form of Alraune. All of the other scripts have the listener gagged, or tied up, as a plaything or denying his orgasm. This Alraune prefers to use a more simple way. A trade Offer.

Performer: An alraune. A human with green skin, flowers coming from her head and instead of feet, it has roots.

Listener: An adventurer looking for the Alraune nectar.

All characters in this script are 18+

** = Short pause. Silent for 2-4 seconds.

() = Notes, guidelines, and vocal tones

[] = Sounds.

{ } = Optional SFX

Bold = Emphasis.

Notes: This Alraune should sound Mature but sweet unless the Script specifies other tone.

° Start °

{Forest ambient}
[Sounds of footsteps on grass]

(Happy tone)

Ohh!

A human has entered my territory. And a pretty beautiful one, I must say.

(giggles)

Don't be scared, I'm not going to hurt you. Unlike my sisters, I don't eat humans. Well, not exactly.

Don't fear me, you went into the forest for something right? Are you looking for something from me?

Short pause

Do you want my nectar?

(Excited tone)

Yes of course! I'll give you all the nectar you want honey. Just get closer to me.

[Sounds of footsteps cut off]

(Wicked tone)

Oh? What happened? Have you been trapped in one of my roots? That's unfortunate. You see, i don't have a sweet fragrance. My nectar is tasty, but doesn't smell sweet enough to attract any prey. Which is why i have my roots all over the place.

Don't worry, I'll help you out...

But before that...

I'm very hungry, it's been weeks since my last lunch ...

Short pause

Oh? I had already told you, I am not going to eat you. I want something different from you. I want your seed. That tasty white nectar that comes out of your dick. Let's make a trade. I give you my nectar, and you give me your seed.

(Excited tone)

A good deal isn't it? Now let's see what we have here...

{unzipping sound}

(Surprised tone)

Wow, honey, you have a nice package here.

Don't try to resist, let me taste my food.

(Improv blowjob. Add moans and licks between lines)

Delicious, normally humans scream and squirm when I do this, but you either really want my nectar, or you are still afraid that I will eat you.

(continued blowjob sounds)

(gasp)

Let me milk you human (licks) You seem so pent up you should (moan) release all of what you have inside in my mouth...

(Continued blowjob sounds)

[muffled groan]

(gasp)

(Seductive tone)

Look at these big balls full of seeds for me.

You don't want this to get lost, do you? (Lick) Would you like to expel all this cum deep down my throat?

(surprised gagging sound as he thrusts into your mouth)

(Happy tone)

Oh honey, you are being aggressive!

I like that, if you thrust your hips into my mouth you will come faster you know?

(Deepthroat for a long time)

You're about to cum aren't you?

[Improv blowjob with gags and moans]

So do it, move your hips while I suck you!

(Improv fast, draining blowjob sounds)

(surprised grunt as he cums in your mouth)

(audible gulping sounds as you swallow his cum from him)

(Satisfied gasp)

(satisfied tone)

Mmm...

That amount will satisfy me for months. I think you filled my stomach, darling. Thanks a lot. I'm going to untie you from my roots now.

{Sounds of ropes getting cut}

There you are. Well human, I'll give you my nectar in a sec-

(Passionate kiss with muffled moans)

(Surprised tone)

Dear? Do you want something more from me?

(Long tongue kiss)

(Seductive tone)

Mmmm, do you want to reproduce with me, human? I'm not against the idea, but you probably have to do something for me ...

Do you want to taste my nectar?

Look at my pussy, it's glistening with juices coming out of it. Why don't you give it a try?

(gasps and moans as he licks your pussy)

That's it human, how does my nectar taste?

A Sweet and strong flavor?

(continued gasps and moans)

Continue like this, I love what you do with your tongue, yes, you are going to make me go crazy...

(continued gasps and moans)

Ohh, My clit, yes, rub my clit while your tongue is inside me, i love it!

(You grabs his head)

(Intensified gasps and moans)

(Whimpering tone)

I can't take it anymore human, I want you to drink from me, take my nectar darling, do it!

(improv orgasm)

(deep breaths as you calm down)

(exhausted tone)

Ahhh, that was great, I think some of my nectar fell off, but never mind, I have more for you.

Come here, I want to taste my nectar.

(passionate kissing)

Sweet....

I'm ready for the main event. Do you want to fill my insides with your seed? I'm sure about that. Stick it in just like this, My pussy is ready for you.

(Start of Standing Sex. Improv moans and gasp between lines)

(passionate moaning)

Oh that's right baby, how does my Alraune pussy feel? Tell me how good a plant is compared to a human.

(Needy moans and kisses)

Yes, I love your mouth, you're so good to me, and you're hitting my cervix so hard I think I might pass out. Oh, you're groping my breasts too! Don't stop...

(continue gasps and moans)

The way you put all of your strength in your hips to reach deep inside is so satisfactory, i might get addicted to mating with you darling!

(Licks and sucks with moans)

(Needy tone)

I feel like your balls are tense, and you're starting to go faster, you want to cum, don't you? Do it honey, let me drain those big balls, let me milk every last drop of your seed, cum, cum, cum cum!

(Improv orgasm as listener cums)

(breathless, tired tone. intermittent heavy breathing between lines)

That... was fantastic.... Ohh....

Look at all that seed.... Gurgling from my pussy... .. You filled my stomach and my cunt.

Dear.....

(Giggles)

Your penis still has traces of seed on it.

Let me clean you.

(improv blowjob sounds)

(gasp)

My juices and your cum taste very good together....

(Soft kiss)

Well human, your part of the deal was fulfilled, so I'll give you my nectar right away.

(Playful tone)

And if you ever stop by again, it wouldn't hurt to empty your balls into any of my holes...
[giggles]
