Privacy Policy

Introduction

At Haachi Games Studio LLC ("we", "our", or "us"), your privacy is important to us. This Privacy Policy explains how we collect, use, and safeguard your personal information when you use our mobile application. By using our services, you agree to the terms outlined here. If you do not agree with this policy, please discontinue use.

What Information We Collect

When you sign up using supported third-party login providers such as Google or Facebook, we collect the following information:

- Your name
- Your email address

We do not collect your password, phone number, payment details, or any other sensitive information.

All collected data is securely stored using PlayFab, a cloud-based game management platform. This data is used strictly to support features such as user account creation, saving progress, and providing personalized gameplay.

Your information is stored and managed on PlayFab’s infrastructure.

How We Use Your Information

We use your personal information only for the following purposes:

- To create and manage your in-app account
- To enable login via trusted third-party providers
- To store and maintain your game progress and preferences
- To offer basic support and respond to user inquiries
- To communicate important app-related updates, such as policy or feature changes

We do not use your data for advertising, marketing emails, or any unrelated activities.

Third-Party Services

We integrate with the following third-party services, which may process limited user information in accordance with their own privacy policies:

- Google Sign-In – Privacy Policy: https://policies.google.com/privacy?hl=en-US
- Facebook Login – Privacy Policy: https://www.facebook.com/privacy/policy/
- PlayFab (Microsoft) – Privacy Policy: https://playfab.com/privacy-terms/
- Firebase – Privacy Policy: http://www.google.com/intl/en/policies/privacy/
- Unity – Privacy Policy: https://unity.com/legal/privacy-policy

Data Sharing and Disclosure

We do not sell or rent your personal information to any third party.

We may share your information in the following limited circumstances:

- With our backend service provider (PlayFab), solely to support core game features
- To comply with legal requirements, such as court orders or regulations
- To protect user safety, prevent fraud, or respond to lawful investigations
- To enforce our terms of service or protect our rights

All third parties that process your data are bound by confidentiality and data protection obligations.

Data Security

We implement technical and organizational safeguards to protect your information from unauthorized access, use, or disclosure. While we take these measures seriously, no method of transmission over the internet or storage system is completely secure.

Children's Privacy

Our services are not intended for children under the age of 13 (or under the minimum age required in your country). We do not knowingly collect or store personal data from children. If we learn that a child has provided us with personal information, we will take steps to delete such information.

Your Rights and Choices

You may request access to or deletion of your stored data at any time by contacting us at the email below. We will process your request in accordance with applicable data protection laws.

To request data deletion, please contact:
📧 Email: Haachiplay@gmail.com

Policy Updates

We may update this Privacy Policy from time to time. Changes will be posted in the app or on our official communication channels. We encourage you to review this page periodically. Continued use after updates constitutes acceptance of the revised terms.
