Parent/Player Contract

I, _____, in order to let my child, _____, play basketball for Shahala Middle School, agree to have my child at every game and practice, on time if possible. I will call the coach ahead of time if I cannot get my child there or we will be late. I agree to support our team, and conduct myself in a proper manner at all times. That includes not yelling at ref's, gossiping about coaches, players or other teams. I agree to sign my own child out if I am taking them home from an away game. If I plan to have someone else take my child home I agree to provide written authorization to the coach prior to the game. I will give every effort to talk with the coach if I, or my child, has a problem with a teammate or a coach. I agree to demonstrate good sportsmanship at all times.

I, _____, in order to play basketball for Shahala Middle School do promise to be at every practice and game. If I cannot attend, I will notify my coach ahead of time and explain the reason. I understand that the practice before a game is mandatory, regardless of the reason, and that missing the practice means not playing in the game. I understand that I am a student first and an athlete second, therefore, I will maintain at least a 2.0 GPA. I also understand that I will be representing Shahala Middle School and agree to be respectful on and off the court. I understand that behavior that results in a disciplinary action at school will result in reduced playing time. I agree that after 3 unexcused absences I will be asked to forfeit my position on the team. I will be a team player and give games and practices 100%. I will show good sportsmanship towards my teammates, other teams, coaches, ref's and all parents.
