

NWCEH FY23 HUD CoC Program Competition Project Ranking: Tier 1 and Tier 2

For the HUD CoC Program Competition for Fiscal Year 2023, the Northwest Michigan Coalition to End Homelessness (Greater Grand Traverse Area Continuum of Care) has released the following project rankings.

Per the FY23 HUD CoC Program Competition NOFO, HUD will continue the Tier 1 and Tier 2 funding selection process. HUD will establish each CoC's Tier 1 and Tier 2 amounts based on the total amount of funds requested by eligible renewal project applications on the Renewal Project Listing combined with the eligible renewal project amount(s) that were reallocated as listed on the reallocation forms in the CoC Priority Listing. [Find the Annual Renewal Demand \(ARD\) Report here.](#)

Copied from the FY23 HUD CoC Program NOFO:

(1) Tier 1. Tier 1 is equal to 93 percent of the CoC's Annual Renewal Demand (ARD) as described in section I.B.2.b.(1) of this NOFO minus the Annual Renewal Amounts (ARAs) of YHDP Renewal and YHDP Replacement projects that were initially awarded through the FY 2017 YHDP Competition (Round 2) or later. HUD will conditionally select project applications in Tier 1 from the highest scoring CoC application to the lowest scoring CoC application and according to the rank assigned by the CoC on the FY 2023 CoC Priority listing, provided the project applications pass both project eligibility and project quality threshold review, and if applicable, project renewal threshold. Project applications for new (including CoC Bonus and DV Bonus), renewal, Round 1 YHDP Renewal and Round 1 YHDP Replacement projects can be placed in Tier 1. YHDP Renewal or YHDP Replacement projects that were initially funded in FY 2017 (Round 2) or later, CoC Planning, and if applicable, UFA Costs projects are not competitively ranked, and therefore must be excluded from CoC ranking. I

(2) Tier 2. Tier 2 is the difference between Tier 1 and the maximum amount of renewal, reallocation, Round 1 YHDP Renewal, Round 1 YHDP Replacement and CoC Bonus funds that a CoC can apply for but does not include YHDP Renewal or YHDP Replacement projects initially awarded funding in the FY 2017 YHDP Competition (Round 2) or later, CoC Planning projects, and if applicable, UFA Costs projects or projects selected with DV Bonus funds.

(3) Projects Straddling Tiers. If a project application straddles the Tier 1 and Tier 2 funding line, HUD will conditionally select the project up to the amount of funding that falls within Tier 1. Using the CoC score, and other factors described in section I.B.3.j of this NOFO, HUD may fund the Tier 2 portion of the project. If HUD does not fund the Tier 2 portion of the project, HUD may award the project at the reduced amount based on the amount of funding that falls within Tier 1, provided the project is still feasible with the reduced funding (e.g., is able to continue serving homeless program participants effectively).

(7) CoCs must rank project applications for YHDP Renewal and YHDP Replacement projects that HUD initially funded in FY 2016 (Round 1), and CoCs may reallocate these projects to create new CoC projects in accordance with section I.B.2.b.(24) and section III.B.3.e of this NOFO.

FY 23 Ranking and Rating Information:

The official rating process of projects for the FY23 HUD CoC Competition is made up of 65% project performance scores captured each quarter over the course of 1 year, and 35% local application scores completed by project managers.
