

Good Afternoon Warriors!

This is Assistant Principal Michelle Thompson with the “Weekly Warrior”.

Parents, this is a reminder to use the car rider line when dropping off or picking up your student(s) in the mornings and the afternoons. Parking in the circle or in “Visitor” spaces are not allowed. This causes a traffic jam, near accidents, and/or an issue for our Exceptional Children’s buses. Please follow expectations and drop off and pick up at the end of E building. Thank you!

If you plan to get off the bus at a stop other than the one assigned to you by Transportation, then Ms. Thompson will need a note stating this information the morning of. A phone call will be made to confirm the information and a copy of the note will be given to the driver.

Please make sure that your child is taking advantage of and making requests in EdEfficiency for their Warrior Time on a daily basis, which is from 11:45-12:15. Warrior Time ensures that your child is receiving any needed interventions and tutoring that their teachers can provide, as well as, allowing them to sign-up for club meetings and review sessions. They can do this through the website that should have been bookmarked from the beginning of the school year. Students also receive daily emails that provide them with their locations. Students who do not attend Warrior Time will receive consequences.

The 2023-2024 registration manual is now online and registration for the 2023-2024 school year began on Monday, February 6th. Registration is NOT a first come, first serve event. We want students to be thoughtful about which classes they choose, as these will determine their schedules for next year. All students will meet one-on-one with a counselor by March 31st. Counselors will be sending out the registration timeline and notes to students and parents via email on Monday, February 6th, along with information for parents to make an appointment with their student and counselor.

The Alamance Virtual School enrollment period is open. It is open from February 1st through February 28th. If you are interested in applying for the 2023-2024 school year, please register before the deadline.

We have officially started evening academy back for the 2nd semester. This is for those who need extra help in classes or who need to work on their APEX courses. We will be meeting in Ms. Stuart's room (E3) on Tuesdays, Wednesdays, and Thursdays from 4:30 to 6:30. Students do not need to sign-up. Please remind your students who are struggling or need some additional help to come.

Have a great afternoon!

The Week(s) Ahead...
