

# **Return to Mocha Worksheet**

Intro to Business  
Maine East High School  
Mr. Lasky

1. Explain why the Mochan farmers were upset and how this is an example of supply and demand?
2. Are the Mochans capable of producing radios? Explain why they chose not to do so?
3. Explain the two-way trade that Pablo proposes. Does it work?
4. What type of economic system do the Mochans have?
5. Tell the type of economic system found on the Oreganos?
6. Tell the type of economic system found on the Caraways. Explain the government's role in housing, wages, prices, and quotas?

7. Why was there a line to get milk? Why did the orange juice prices drop?
  
8. How are prices determined on Mocha? Does the market "run itself"?
  
9. What info does the Webster Whiz reveal about the supply of grain, crystals, and radios? Explain the proposed three-way trade.
  
10. What is Tanya's solution to the Mochan/Caraway trade problem?
  
11. Explain the result of the meeting of the Oregano tribal council. What happened as a result of Big Mama's negotiations with the Caraways?
