Please answer the following questions. Quality of answers will be taken into account:

1. Describe your greatest and most vivid football memory from your Senior year playing days at Edgar High School. Describe in detail! (200 word minimum)
2.
 - a. Describe a situation when you were a young football player and an older player helped you in school or on the football field. (150 word minimum)
 - b. Describe a situation when you were the older player and helped a younger football player in school or on the football field. (150 word minimum)
3. How did you contribute to the team your senior year in the classroom, in the weightroom, at practice, and on/off the field? (200 word minimum)

It should be noted that this monetary award will be dispersed upon notification the winner has commenced his second semester of higher education.

We would like to see transcripts after 2 semesters of courses in both cases. We understand the trade students might not start classes right away so it may be over a year from when they graduate.

All applications must be typed.
