

Denominational Resources:

NC CBF Groundwater Presentation Workshop: June 16, 1-4 PM

In this three-hour lively and participatory presentation, leaders from the Racial Equity Institute will use stories and data to present a perspective that racism is fundamentally structural in nature. By examining characteristics of modern-day racial inequity, the presentation introduces participants to an analysis that most find immediately helpful and relevant. For more information and to register go here: <https://cbfnc.org/event-directory/>
