

Robb Urbaniak Bio

Hey Braves! I am entering my 19th year at Socastee High School and my 5th year as the Lead Counselor. I am originally from Pittsburgh, PA and did my graduate work at the University of South Carolina. I live with my wife, Amanda, who teaches English at Socastee High, and my two children, Ilsa and Everett, with our dog Achilles. In my free time I enjoy running, working out, cooking, watching movies, and hanging out with my family!

I work with all students with 504 plans as well all students enrolled in the PACE Program. Juniors and seniors interested in pursuing classes at HGTC are welcome to see me to discuss these options.

You can always contact me by phone at (843) 293-9043 or by email at RUrbaniak@horrycountyschools.net.
