BATTALION PARK SCHOOL COUNCIL
THREE-YEAR PLAN
(2023-2026)

GOAL # 1

To work alongside the Signal Hill School Enhancement Society to support the school's goals.

Strategies:

1. To support the Battalion Park School Development Plan.
2. To promote the School Council through our yearly school social activities and events.
3. To review, update and share the Three-Year Plan through School Council meetings and the Annual Report.
4. To further the school's goals for student leadership by supporting Student Council initiatives.
5. To publish the Annual Report on the school website.

GOAL # 2

To renew a sense of community among the students, parents and staff at Battalion Park School.

Strategies:

1. To plan several community building events throughout the school year like the Halloween Dance, Family Skate night and year end picnic.
2. To increase parent involvement in these activities by offering volunteering and donating opportunities.
3. To support the Signal Hill School Enhancement Society in their ongoing project to replace the school playgrounds
4. To show appreciation to the school staff for their work with our students.
5. To provide opportunities to the Students to give back to the community we live in, like making art and cards for the Seniors at The Manor Village at Signature Park.

GOAL #3

To work with the parents and the school to effectively build our school community and enhance our student learning experience.

Strategies:

1. To increase parent attendance at the School Council Meeting by sending out flyers and emails about the meetings and offering a blended meeting. (Online and In-person)
2. To encourage all parents to be involved in the School Council Meetings by addressing concerns and providing feedback.
3. To support the school in its ongoing project of redoing the learning commons to create a more relaxing atmosphere for the students.
4. To provide opportunities for staff to share important educational information by inviting them to share their work/goals with parents at School Council meetings.
5. To share information from the School Council meetings by posting information, including the minutes, on the school's website.
