Subject: East Primary 2-Hour Delay

Good morning East Primary families,

This is an important message from the Kiski Area School District regarding East Primary School.

East Primary School will operate on a two-hour delay today due to smoke that was detected on the third floor of the building this morning. The fire department is currently on scene evaluating the situation, and all appropriate safety procedures are being followed.

Please note that this two-hour delay applies to East Primary School only.

We will continue to work with emergency personnel and will provide families with an additional update as soon as more information becomes available.

Thank you for your patience and cooperation as we work to ensure the safety of our students and staff.
