 - Folders with pockets
 - Tab dividers for binder
 - Three ring supply pouch for binder
 - #2 pencils or mechanical pencils w/extra lead
 - Black or Blue Pens
 - Colored Pens
 - Colored Pencils
 - Highlighters
 - Post it notes
 - Index cards
 - Headphones/Earbuds
 - Water bottle
 - Backpack (Keep in your locker. They are not allowed in the classrooms)
 - 1 Box of Kleenex (bring it to your first hour teacher)
- **Required for Math:**
Calculator: TI-30X [Texas Instruments] for:
 - Intermediate Algebra 1, Concepts Algebra 1, Algebra 2 and Concepts Algebra
 - Algebra 2: The TI-84 calculator is **not** required for Algebra 2. It is beneficial for some of the second semester curriculum, but students can download an App to their phone to use when working on their homework (not quizzes and tests) and there will be some TI-84 calculators available to use when in the math classroom.

Another option is to use the DESMOS graphing calculator which is a web based graphing calculator program. The TI-84 calculator can be used in Algebra 2 and for the remainder of a student's high school career, along with most education courses beyond high school.
