

# WELCOME TO LEO ACADEMY TRUST

*Is your child starting school in Reception in September 2024?*

Starting school can be an exciting and anxious time for both you and your child.

LEO Academy Trust have Family Support Workers based at all LEO schools who are available to support you and your child with this transition.

We can ensure your children are school ready and prepared for starting school.

## SCHOOL READINESS INFORMATION

We will be running parent drop ins in September but over the Summer holidays you can check out the school readiness information on the LEO FSW website
