Week 1

Monday: Today was our first meeting we had, and we discussed our strengths and weaknesses to figure out what area we would fit best to work on.

Tuesday: I was absent, but we did have a meeting.

Wednesday: I started doing the research for the foundation commercial, and I started working on other PLTW.

Thursday- Today I worked on the foundation commercial and I attended my second meeting with the group where we discussed what we were going to do for our floor plan, and when we were going to finalize it.

Friday- Today I didn't work on the project because we instead did our scavenger hunt.

Week 2

Mondy: Today we met up to discuss the floor plan. Before the meeting I worked on finishing my work that was given to me.

Tuesday: Today I did the drawing of the foundation. We also met up today and discussed what materials we needed to make the physical model.

Wednesday: Today I started working on 3.2.9 Sizing a Spread Footing.

Thursday: I finished the sizing a spread footing pltw

Friday: I was drawing the floor plan for the pltw and the physical model

Week 3

Mondy: I started to work on my crossword puzzle and I also finished it.

Tuesday: I was absent today so I didn't do anything

Wednesday: Today I started working on the pltw for face 3. (utilities)

Thursday: Today I started on the beam calculation.

Friday: Today I finished the beam calculations and I kept working on the Pltw for phase 3.

Week 4

Mondy: Today I was working on Activity 3.3.1 and I started working on layout the walls for the second floor of our Musume.

Tuesday: Today I did my work that is due on friday and I also go to do a little on the physical model.

Wednesday: Today I worked on cutting out pieces of cardboard to make the interior wall. I also made progress on the 2nd floor of the museum.

Thursday: I added the high ceiling of the museum and I also started cutting the illusion rooms for the museum.

Friday: Today I did some more research on the utilities pltw and I kept working on gluing all the walls to the museum.

Week 5

Mondy: Today I cut out more pieces that are supposed to be walls. I also worked a little on utilities.

Tuesday: I wasn't able to work on the model because I didn't come to school, but I did do some of my individual assignments.

Wednesday: Today I painted the wall of the model white and I also cut out the basement/storage for the physical model museum.

Thursday: Today I added a second coat of paint to the museum and we added windows and doors.

Friday: Presentation Day!
