

SAFETY AND SANITATION PROCEDURES Bellingham Vista Club 9-17-2024

Sanitation

- Guests must sanitize any house equipment, furniture, fixtures, and floor that they use.
- USE means touched by a human in any way on any part of their bodies.
- Guests must use the sanitation supplies provided by the BVC.
- If sitting on a porous surface (couches, cushions), you must place a non-porous/fluid proof barrier between you and the surface.
- Clean your space after you use it - throw away garbage, tidy items, put things back where they were if you moved them.
- Remind people to sanitize and tidy their space if you notice they forgot.
- If you bring your own equipment, it must be sanitized before and after use.
- Clean spills on the floor immediately when they happen to avoid slips

General

- Do not get close to people who are doing something that might injure or make contact with you. Examples include, whipping, flogging, fluids,, dancing, swinging on swings, suspensions, ropes, etc.
- Do not leave your property in a place that someone could trip on it, entrances and exits, or in the movement paths of people.
- Label all food you bring in with allergens and ingredients that could be an issue: gluten, dairy, meat, peanuts, artificial sugars, etc.
- Please refrain from wearing perfumes/colognes and scents.
- Pick up and throw away trash if you see it.
- Do not block exits, entrances, fire extinguishers or chemical spill cleaning stations.
- No smoking at or near the front entrance or back door.
- Lock your vehicle and bring scooters or bikes inside.
- Obey all safety signage.
- Do not attempt to fix broken equipment. Report it right away.
- Do not use fire, water, electricity, or needles without approval from security first.
- Inform the EVENT FACILITATOR of any problems, broken equipment, or safety violations.
