

## Principal's Newsletter for CJL Parents/Guardians **November 23rd - November 27th, 2020**

- Almost time for Thanksgiving Break.
- We have school Monday and Tuesday, but we're off Wed., Thurs., and Fri. in observance of the holiday.
- School will resume on Monday, November 30th.
- Days are getting colder, so students should bundle up when attending in-person school days. If you need assistance with providing a winter coat, please contact our school counselor at 324-8481 or send an email to [jscremin@sanford.org](mailto:jscremin@sanford.org).

**We'll have Parent Teacher Conferences Mon. Nov. 23rd from 3:30-6:00pm.**

### **BOXES OF JOY**

As I'm sure your child's teacher has communicated, our students are working in teams to fill one **Box of Joy** for the *Sanford Backpack Program*. As a school, we set a goal to create ten Boxes of Joy to be redistributed soon to CJL families. Please have items to school by **Tuesday**. Teachers can answer any questions you may have. A huge shout out to all of those you have already participated. Thank you!

**This month's social emotional learning theme at school is GRATITUDE.**

Thank you, PTA,  
for treating the staff during last  
Thursday's  
Parent Teacher Conferences!

**With gratitude,**  
The CJL Staff

Dec	respect
Jan	compassion
Feb	courage
Mar	responsibility
Apr	honesty
May	everything is possible/possibilities
Jun	pride

## Governor's County Color Designation: What Color is York County this week?

We moved to a **yellow** status this past Friday. Elementary students will continue to follow the same plan that we've been following all along. Continue to follow all safety guidelines, remember to complete our students' daily screening tool, and please keep children home when they are not feeling well. We're proud of how well our students are doing with handwashing, keeping distance, hand sanitizing, and tolerating their masks.

## **THANK YOU SO MUCH, PTA AND DONORS!**

The PTA with the help of many parents/guardians helped last Friday to be a great day by donating raffle items for staff in a Random Act of Kindness! On the next page are just a few photos of our lucky winners! How many staff members can you recognize?

**Thank you to our PTA and our Parents and Guardians who made these donations possible for the [PTA's Random Act of Kindness Raffle](#) this Friday!**  
**I think it's safe to say that our staff loved the Raffle Items that you gave to us!**

### **School Pictures**

Be on the lookout soon for your child's school photos. We haven't heard yet when they're coming, but they're usually out some time around Thanksgiving.

### Every Friday for the Remainder of the 2020-2021 School Year:

- Our Staff Members are invited to wear jeans and **CJL Wear, Spartan Wear or Red, White, & Black.**
- They pay \$2 to participate.
- Proceeds benefit the CJL students and staff (wherever needs arise).
- **Students (both in person and remote) are also invited to wear CJL Wear, Spartan Wear, or Spartan colors every Friday, at no cost, that is.**
- **NEW:** The PTA will soon be distributing an order form for you to be able to purchase CJL Wear (t-shirts, long sleeve t-shirts, and hoodies). They make very little profit as it's more about a sense of pride and belonging to Carl J. Lamb School. So please be on the lookout for the order form.
- You can see a couple of these items pictured above.

**Wishing you all a safe and happy Thanksgiving!**

With gratitude,  
**Sherri L. Baron**  
*Principal*
