

# XR Roles Fayre | Sunday 6th October

Focus on UK Teams

## GENERAL INFORMATION

**This is a live document.**

**Please keep checking it before the Fayre as it may be updated.**

Hello. Thanks so much for your interest in volunteering with Extinction Rebellion.

Our Roles Fayres are held **online, via Zoom**, using English language and Greenwich Mean Time. This one is on Sunday 6th October from 19.30 - 21.00 [ 7.30-9.00pm] GMT.

**Our Roles Fayres are very interactive.** Reps from each featured team will talk about what their team does and the roles they have available. If any role interests you, you can chat with the rep in a 'breakout room' to get more detailed information. If you're not sure which role might suit you, don't worry; you can stay in the main room and tell our team about your skills and interests. We can offer help and support, and we'll do our best to help you find your place in XR.

### INFO ON GROUPS & ROLES

The roles featured at this Fayre will be added to this document nearer the time. They can all be done remotely, from home. Most of the roles can be shared. We also offer excellent training for anyone taking on a role.

**Important: Please have a good look at the roles before you attend the Fayre.** Getting familiar with the roles beforehand will help increase the time you'll have for questions and talking with the team reps. Ideally, you should already be involved in XR, locally, regionally or nationally.

If any of the roles interest you, or you would like a general chat about volunteering with us, please register for the Fayre using the link below:
