

Module designation	Dissertation assessment is a stage of the process after students compile a complete dissertation draft. The results of the assessment are used as a benchmark for the suitability of the dissertation manuscript with doctoral dissertation standards. If the dissertation draft has been assessed to meet the standards, then students can apply for a dissertation service by attaching the dissertation manuscript and administrative requirements in accordance with the stipulated provisions.				
Semester(s) in which the module is taught	Odd/Even				
Person responsible for the module	Promoter Team Assessment Team
