

Indivisible East Bay Team Simon | Notice

Hello and thank you for your interest in Team Simon! While Team Simon still exists, IEB has decided to de-prioritize our work with Rep. Simon, primarily because she is doing such an AMAZING job for us, and we believe our time and energy is better spent elsewhere. After all, she does not need convincing from us to do the right thing!

We are not, however, abandoning Team Simon. We are still posting her events on Slack (IEB's online organizing tool) and in our [calendar](#) and [newsletter](#); and we have a standing request for a meeting with her that we will publicize to Team Simon members when/if it gets scheduled.

Follow us on Slack to keep up with all Simon-related activities. Here's how:

- If you're not on IEB's Slack workspace yet, join with [this link](#). (You may need to sign up for Slack first, if you haven't done that.) If you don't have the Slack app on your desktop, click on "[Use Slack in your browser](#)."
- If you're on the IEB Slack workspace already (or after you join), follow [these steps](#) to find and join the "#ca12-simon-team" channel.
- If you're new to Slack and want to know how things work, check out [this handy guide](#)!

If you have questions, feel free to DM Jenn R on Slack or email me at esornnej@proton.me.
