

Evidence Camera-Time&Location Privacy Policy

The end user authorization agreement for Evidence Camera-Time&Location is as follows

This End User Software License Agreement (hereinafter referred to as the "Agreement") is jointly signed by you, as the end user, and Evidence Camera-Time&Location

Evidence Camera-Time&Location is well aware of the importance of personal information to users, therefore, we have developed a privacy policy to enable you to understand our processing, use, and storage of information, including personal data. Access to applications and use of services are subject to privacy policies.

By accessing the application and continuing to use the service, you will be deemed to have accepted the privacy policy, and in particular, you will be deemed to have confirmed the way we process your information and the appropriate legal grounds described in the privacy policy. We reserve the right to modify our privacy policy from time to time. If you do not agree with the privacy policy, you must immediately stop using the application and services. Please read our privacy policy carefully.

Please note that in order to comply with privacy rules, you must notify your conversation partner before the conversation begins that you want to record it. Otherwise, you will not be able to use the application.

Evidence Camera-Time&Location respects and protects the personal privacy rights of all service users. Without your prior permission, Evidence Camera-Time&Location will not disclose or provide this information to third parties. When you agree to the Evidence Camera-Time&Location service usage agreement, it is deemed that you have agreed to all the contents of this privacy policy.

1、User Content Specification

1. The content referred to in this article refers to any content created, uploaded, copied, published, or disseminated by the user during the use of the service, including but not limited to account avatars, names, user descriptions, registration information and authentication materials, or text, voice, images, videos, graphics, and other messages and related link pages sent, replied, or automatically replied to, as well as other content generated by the use of the account or this service.

2. Users are not allowed to use this software account or service to create, upload, copy, publish, or disseminate content that is prohibited by laws, regulations, and policies

- (7) Spreading obscenity, pornography, gambling, violence, murder, terror, or inciting crime;
- (8) Insult or defame others, and infringe upon their legitimate rights and interests;
- (9) Information containing other content prohibited by laws and administrative regulations.

3. Users are not allowed to use their account or this service to create, upload, copy, publish, or disseminate content that interferes with the normal operation of the "service" or infringes on the legitimate rights and interests of other users or third parties

- (1) Containing any sexual or sexual implications;
- (2) Containing abusive, intimidating, or threatening content;
- (3) Containing harassment, junk advertising, malicious information, and deceptive information;
- (4) Involving the privacy, personal information or data of others;
- (5) Infringing upon the legitimate rights of others, such as reputation, portrait, intellectual property, trade secrets, etc;
- (6) Contains other information that interferes with the normal operation of this service and infringes on the legitimate rights and interests of other users or third parties.

2、Usage rules

1. Any content transmitted or published by users in or through this service does not reflect or represent, nor shall it be deemed to reflect or represent, the views, positions or policies of this software, and this software shall not be held responsible for this.

2. Users are not allowed to use this software account or service to engage in the following behaviors:

- (1) Submitting or publishing false information, or stealing someone else's profile picture or information, impersonating or using someone else's name;
- (2) Forcing or inducing other users to follow, click on link pages, or share information;
- (3) Fabricating facts, concealing the truth to mislead or deceive others;

- (4) Using technological means to establish fake accounts in bulk;
- (5) Engaging in any illegal or criminal activities using the account or this service;
- (6) Produce, publish, operate or disseminate methods and tools related to the above behaviors, regardless of whether these behaviors are for commercial purposes;
- (7) Other behaviors that violate laws and regulations, infringe upon the legitimate rights and interests of other users, interfere with normal operations, or provide services without explicit authorization.

3. The user shall be fully responsible for the authenticity, legality, harmlessness, accuracy, validity, etc. of the information transmitted through the account or this service. Any legal responsibility related to the information disseminated by the user shall be borne by the user and shall not be related to this software.

If any damage is caused to a third party as a result, the user shall compensate according to law.

4. The services provided by this software may include advertisements, and users agree to display advertisements provided by third-party suppliers or partners during use. Unless otherwise specified by laws and regulations, users shall be responsible for the transactions conducted based on the advertising information,

This software shall not be liable for any losses or damages suffered by users due to transactions based on the advertising information or the content provided by the aforementioned advertisers.

3、 Other

1. Information usage

a) Evidence Camera-Time&Location's access to the address book requires your consent, and it is only convenient to quickly dial the phone number of the contact person locally. The communication will not be uploaded to the server. If not allowed, Evidence Camera-Time&Location will not be able to read your address book and access the contact numbers in the address book, but you can enter the numbers to make calls.

b) Evidence Camera-Time&Location will not provide, sell, rent, share, or trade your personal information to any unrelated third party unless they have obtained your prior permission, or if such third party and Evidence Camera-Time&Location provide services to you individually or jointly, and after the service ends, they will be prohibited from accessing all of these materials, including those they were previously able to access.

c) Evidence Camera-Time&Location also does not allow any third party to collect, edit, sell or disseminate your personal information for free by any means. Any Evidence

Camera-Time&Location platform user engaged in the above activities, once discovered, Evidence Camera-Time&Location has the right to immediately terminate the service agreement with the user.

d) For the purpose of serving users, Evidence Camera-Time&Location may provide you with information of interest by using your personal information, including but not limited to sending you product and service information, or sharing information with Evidence Camera-Time&Location partners so that they can send you information about their products and services (the latter requiring your prior consent).

2. Scope of application

When you use Evidence Camera-Time&Location, you provide personal usage information as requested by Evidence Camera-Time&Location.

You understand and agree that the following information is not subject to this Privacy Policy:

- a) The keyword information you entered when using the search service provided by Evidence Camera-Time&Location platform;
- b) The information data collected by Evidence Camera-Time&Location regarding your posts on Evidence Camera-Time&Location, including but not limited to participation in activities, transaction information, and evaluation details;
- c) Violation of legal regulations or Evidence Camera-Time&Location rules, as well as the measures taken by Evidence Camera-Time&Location against you.

3. Information Disclosure: In the following circumstances, Evidence Camera-Time&Location will disclose all or part of your personal information based on your personal wishes or legal provisions:

- a) Disclosure to third parties with your prior consent;
- b) To provide the products and services you request, it is necessary to share your personal information with third parties;
- c) Disclosure to third parties or administrative or judicial institutions in accordance with relevant legal provisions or requirements of administrative or judicial institutions;
- d) If you violate relevant Chinese laws, regulations, or Evidence Camera-Time&Location service agreements or rules, you need to disclose them to third parties;
- e) If you are a qualified intellectual property complainant and have filed a complaint, at the request of the respondent, you should disclose it to the respondent so that both parties can handle possible rights disputes;
- f) In a transaction created on the Evidence Camera-Time&Location platform, if either party fulfills or partially fulfills the transaction obligations and requests information disclosure,

Evidence Camera-Time&Location has the right to decide to provide the user with necessary information such as the contact information of the counterparty to facilitate the completion of the transaction or the resolution of disputes.

g) Other Evidence Camera-Time&Location may disclose as deemed appropriate by laws, regulations, or website policies.

4. Information Storage and Exchange: The information and materials collected by Evidence Camera-Time&Location about you will be stored on the servers of Evidence Camera-Time&Location and/or its affiliated companies. These information and materials may be transmitted to your country, region, or overseas where Evidence Camera-Time&Location collects information and materials, and accessed, stored, and displayed overseas.

Evidence Camera-Time&Location guarantees that the upgrade module of this software does not contain any malicious code aimed at destroying user computer data and obtaining user privacy information, does not contain any functional code that tracks or monitors user computer and/or operational behavior, and will not monitor user online or offline behavior or leak user privacy.

5. Information security

Evidence Camera-Time&Location has security protection functions, but please also note that there are no "perfect security measures" on the information network.

6. How do we handle the personal information of minors

a) If you are a minor under the age of 14, please read this policy with your guardian before using our products and/or services, and ensure that you have obtained the explicit consent of your guardian before use.

b) For the collection of personal information of minors with the consent of their parents, we will only use or publicly disclose this information when permitted by law, with the explicit consent of parents or guardians, or when necessary to protect minors.

c) If your guardian does not agree to your use of our services or provision of personal information to us in accordance with this policy, please immediately terminate your use of our services and notify us promptly.

The copyright of this Agreement belongs to this software, and this software reserves all rights to interpret this Agreement
