WALL HANGING 40" x 9 ½" (We will cover quilting & finishing if unable to complete)

Cut the background (BKG) fabric for:
One – LEAF 1block Three - LEAF 2 blocks Three - bird blocks
Wall hanging requires a beak fabric, 4 additional BKG 2 ½ squares, and 6 print 2 1/2" squares. 60" binding.
Cut the leaves from 3 different small-scale greens fabrics. They could all be the same or all different too. Which gives you the most joy?

Cut the bird pieces from 3 different blue fabrics. The birds could be 3 reds or all the same and again all could be different. What birds visit your yard?

FYI I reversed the leaves on two of the LEAF 2 blocks and reversed one bird. If you don't know how I will show you. If you want them all the same, it is perfectly fine. I used buttons instead of appliqued rounds. Mark all your pieces**, bring extra fabric** in case you change your mind. If you can't get everything cut bring what you have and your fabrics to class.
