Diagnostic drawing

I would like you to spend the rest of the class making a diagnostic drawing. This drawing will help me get to know you a little better!

From this artwork, I will be able to get a sense of your...

...ability to come up with ideas

...technical drawing skills

...ability to use your time wisely

...ability to keep adding to your artwork to make it full and complete

To do this, I would like you to draw something beautiful or something ugly!

- It has to be school appropriate, because obviously.
- It can happen **anywhere**, real or not real.

This drawing will be returned to you on the last day of your art class! 😊

This will not be marked. It is not fair to mark things when you haven't been taught yet!

You have until the end of the class to draw! Enjoy!
