Rock 101

Rock 101 is our group program for kids (ages 8 - 12) who are beginners/still learning the basics of their instrument and are new to SOR. This program includes 1 one-hour weekly group rehearsal and 1 30-minute private lesson.

The Rock 101 rehearsal is an hour of rocking and focuses on the building blocks of playing in a band in preparation for eventually joining the Performance Program: learning to play in a band, learning song structure and using gear. The kids learn songs like The White Stripes "Seven Nation Army", Ramones "Blitzkrieg Bop" or Black Sabbath "Paranoid." Rock 101 is an open enrollment program so your child can join at any time. To enroll in Rock 101 please contact us at lakeoswego@schoolofrock.com.

Rookies

Rookies is a music program designed for children 6-7 years old with no previous musical experience. As with all our music programs, Rookies adheres to School of Rock's core philosophy: group-based music education is the best way for students to gain musical proficiency. Rookies students have a weekly group music lesson where they learn music fundamentals like simple chords, rhythm, and song structure in a fun band environment. Kids get to learn and experiment with multiple instruments (guitar, bass, drums, keys, and vocals) so they are then able to decide which one they ultimately want to continue pursuing when they move to Rock 101.
