EVERYDAY BASIC ESSENTIALS HYGIENE PANTRY

We are **ALWAYS** accepting the following new/unopened hygiene items: toilet paper, shampoo, toothpaste, bar soap, regular tampons, menstrual pads, diapers (size 6 is what we need), and bath towels and washcloths (these can be lightly used but laundered). **Hygiene donations can be dropped off Monday-Thursday between 10 and 2.** Please call 816-1445 for other arrangements or with questions.

ADDIE'S ATTIC CLOTHING BANK

Please call or text **458-7088** for more information and/or to make a donation drop off appointment BEFORE dropping off donations.

Our capacity and needs change frequently. Like you, we want clothes to go to good homes and get used. When we have too much, we experience a bottleneck with bags of clothes taking up our limited space and then we work to find other outlets for them. This makes for challenging, dysfunctional and sometimes unsafe days.

Here are a few points that will help you better understand the purpose of Addie's Attic and how best to work with us as donors. We thank you for taking a moment to read through this information.

Addie's mission is to provide our community members with clean clothes in which they can feel and look good.

- All donations must be CLEAN and FRESH-- we do not have a washer or dryer.
- We do not accept articles that have any stains or holes.
- **While we maintain a small inventory of office-type attire, our focus is on casual everyday wear. We have learned over the years what our customers prefer.**

You will help us serve our community better by checking in with us before bringing clothing donations. We'll update the items we are accepting on at least a monthly basis.

Above all, please call/text before coming with donations: 458-7088

Please note: The Attic Manager makes return calls on Mondays and Wednesdays.

Note: While stocking Addie's is our #1 priority, from time to time we share our excess with other clothing banks and small local thrift stores.

See the attached chart for an updated list of items we are accepting.
