

Magnet Route Schedules

For Magnet families outside of local EMS area

You must first go to the [MCPS Transportation Website](https://www.montgomeryschoolsmd.org/departments/transportation/busroutes/)

<https://www.montgomeryschoolsmd.org/departments/transportation/busroutes/>

- Scroll to "Routes are available"
- Click the TAB for Magnet, Choice & Immersion Schools
- Click **BLAIR**
- You will see BLAIR Magnet Secondary Routes for all out-of-area Magnet Students.
 - Look through the entire document to find the AM routes for your child.
 - In the afternoon, students will take a shuttle to Blair from EMS. Most afternoon bus routes are the same however bus routes are updated throughout the year. Please keep checking with the bus depot for updates.

Bus running late? Questions about your student's route or bus stop? The depot that corresponds to your student's route number should be your first point of contact to receive the most accurate information.
