By virtue of our Baptisms, *all* members of the Church are invited to bring their gifts to the holy work becoming a more synodal church. Each of us is called to discern what the Spirit is calling us to do - *together* - with what the people of God around the world have shared in the first phase of the global synod. This includes “rethinking women’s participation in the church”!

With that call in mind, check all that apply to you!

- ☐ I’d like to learn more about women’s roles in and contributions to synod process, as well as the growing devotion to St. Phoebe by joining the Discerning Deacons mailing list
- ☐ I’d like to join one of the monthly virtual St. Phoebe Prayer Services offered by members of the Discerning Deacons international community on the 3rd of each month at 7 PM EST
- ☐ I’d like to join Philadelphia’s St. Phoebe Circle to keep cultivating a devotion to St. Phoebe and to a possible witness for our Archdiocese and my parish on her feast day this year (September 3rd)
- ☐ I’d like to talk with someone in the Philadelphia St. Phoebe Circle about facilitating a discernment session like this one today in my parish or faith community (school, university, retreat center, nonprofit, etc.)
- ☐ I’d like to be part of a team of people who discern how to engage Archdiocesan leaders about what we experienced and discerned together today
- ☐ I have another idea to propose: _____

- ☐ I’d like to invite a friend or two who need to hear this good news and possibly join this effort. I will reach out to them, and their names and contact info are **ON THE BACK**
