

How do I become a member?

We do not have paid memberships for our services. Anyone in our service area is welcome to attend events, and/or benefit from the information provided on our Facebook and website.

If you're interested in being a board member of the ASNLa, we do have regular intervals of nomination and voting for the various, volunteer board positions. The best way to be informed of this is to follow us on Facebook and join our mailing list. You can do that by visiting www.autismsocietynorthla.com and enter your email address in the pop-up box that will appear a few seconds after you view the page.
