

AREA OF ASSESSMENT: Understands addition and subtraction of fractions (NY 4. NF 3)

Rubric	Trimester 1	Trimester 2 (may be taught 2nd or 3rd trimester)	Trimester 3
4		<p>Independently and consistently add and subtract fractions with like denominators.</p> <p>Independently and consistently multiply a fraction by a whole number.</p> <p>Independently and consistently decompose a fraction into a sum of fractions.</p>	<p>Independently and consistently add and subtract fractions with like denominators.</p> <p>Independently and consistently multiply a fraction by a whole number.</p> <p>Independently and consistently decompose a fraction into a sum of fractions.</p>
3		<p>Independently add and subtract fractions with like denominators.</p> <p>Independently multiply a fraction by a whole number.</p> <p>Independently decompose a fraction into a sum of fractions.</p>	<p>Independently add and subtract fractions with like denominators.</p> <p>Independently multiply a fraction by a whole number.</p> <p>Independently decompose a fraction into a sum of fractions.</p>
2		<p>With guidance and support, add and subtract fractions with like denominators.</p> <p>With guidance and support, multiply a fraction by a whole number.</p> <p>With guidance and support, decompose a fraction into a sum of fractions.</p>	<p>With guidance and support, add and subtract fractions with like denominators.</p> <p>With guidance and support, multiply a fraction by a whole number.</p> <p>With guidance and support, decompose a fraction into a sum of fractions.</p>
1		<p>With significant guidance and support, may be able to add and subtract fractions with like denominators.</p> <p>With significant guidance and support, may be able to multiply a fraction by a whole number.</p> <p>With significant guidance and support, may be able to decompose a fraction into a sum of fractions.</p>	<p>With significant guidance and support, may be able to add and subtract fractions with like denominators.</p> <p>With significant guidance and support, may be able to multiply a fraction by a whole number.</p> <p>With significant guidance and support, may be able to decompose a fraction into a sum of fractions.</p>
