1. Introduction

AI Birthday Song (“the App”, “we”, “our”, “us”) respects your privacy.

This Privacy Policy explains how we handle your information when you use our mobile application.

We do not collect personally identifiable information unless explicitly stated in this document.

2. Information We Collect

- **User-provided data:** The App does **not** require you to provide names, relationships, photos, voice recordings, or any personal data.
- **Automatically collected data:** We may collect limited technical data (such as device type, OS version, and usage statistics) through analytics tools like **Google Analytics for Firebase** — only to understand how the App is used and to improve user experience. This data is aggregated and cannot identify you personally.

3. How We Use Information

We may use anonymous usage data to:

- Improve the performance and reliability of the App.
- Fix bugs and monitor crashes.
- Analyze trends and general usage patterns.

4. Third-Party Services

The App uses the following external service:

- **Sonauto API:** Used to generate AI-based music for birthday songs. Sonauto may process text prompts to create music but does **not** receive or store any personally identifiable data from users.

If Google Analytics for Firebase is activated, it will be subject to Google's Privacy Policy:
<https://policies.google.com/privacy>

5. Downloads and Sharing

Users can download and share the generated birthday songs freely.

Please note that once a song is shared externally, we cannot control how others use or distribute it.

6. Data Storage and Retention

The App does not maintain a user database.

Any temporary song files are stored locally on your device and are deleted when you uninstall the App.

7. Your Rights

Because the App does not store personal data, there is generally no data to access, modify, or delete.

However, you can contact us at 28sep.appstudio@gmail.com if you have any concerns about your privacy.

8. Children's Privacy

The App is suitable for general audiences and does not intentionally collect data from children under 13 years of age.

9. Changes to This Policy

We may update this Privacy Policy from time to time.

Any changes will be posted within the App and will take effect immediately upon publication.

10. Contact Us

If you have questions or concerns regarding this Privacy Policy or the App's privacy practices, please contact:
