

Keyboarding

October 16-20, 2017

	Standard	Objective/ Can Do	Activities
Monday	Post-Test for this 9-Week Period Will Be Given Back for an Overview of Skills to tackle this new 9-wk Period	Students will submit a typed paper as to how they have grown in their work over the course of this 9-week period.	Conferencing - They will rate themselves as to the efficiency of their work at this time.
Tuesday	Typingclub.com Assessments Conferencing and Setup of Lesson Review on Accuracy *Lessons 1-5	Students Will Challenge Themselves on WPM (Words Per Minute)	They will take one efficiency rating with the covers on the keyboard and one without.
Wednesday	A Thorough Review Over What's Been Achieved Thus Far	Students ask themselves: What has gone well? What do I need to improve upon?	We will talk about how this achievement will help them in their career path.
Thursday	Goals For the New 9-Week Period Set Review	Students will submit a typed paper outlining the goals they've set for the new 9 weeks.	They will collaborate with their classmates as to how they might go about achieving!!
Friday	Application Analysis	The students will analyze their data and put it into some type of graph to share this information.	Essential Question Will Be Posed for Thought based on the information gleaned. <i>Was it worth my time and effort?</i>
