

PreCalculus Course Information

Plano eSchool

The Plano ISD eSchool Mission is to create a borderless classroom based on a positive student-teacher relationship that fosters independent, innovative critical thinking and empowers students to thrive, contribute, and compete in a global society.

Course Number: 3101100

Course Title: PreCalculus

Communications

All communication with the teacher will be through email. All assignments will be submitted directly into the Imagine Edgenuity platform. Students will receive a welcome email from the eSchool Office when the course is ready. Students may email their teacher at any time with questions that they might have.

Course Standards

For a current listing of Texas Essential Knowledge and Skills (TEKS) for this course, please see the official [PreCalculus TEKS](#).

Academic Integrity/Copyright Policy:

Academic integrity violations, plagiarism, and copyright violations will not be tolerated.

Online Étiquette (“Netiquette”):

Netiquette is meant to help students communicate professionally and effectively in an online collaborative setting. Students will follow all guidelines relating to internet etiquette and will communicate respectfully with all people.

Grading and Evaluation

In order to earn credit for an online course, a student must:

1. complete all course work, and
2. in the process of completing all coursework, earn a passing average of at least 70.

Students and parents have 24/7 access to their grades through the online course. Student progress and grades are visible from the tile upon login. Students can also download a course report detailing all course grades.

Parents who would like a weekly progress report sent through email should contact the teacher.

Please note:

- Teachers have the final judgment on grade reporting.
- The home campus Principal has the final decision on credit approval.
- The Plano ISD Director of Expanded Learning Pathways will make the final decision in all other student/parent concerns.

This course may include assignments, quizzes, tests, and projects. These assessments will allow students to show mastery of the concepts they have learned. Teachers may need to review coursework before allowing students to take a test. Students should contact their teacher to move forward.

Class Participation

Every student will have a specific schedule for completing and submitting assignments and tests. Students are required to adhere to their schedule. Students must maintain consistent email communication with their teacher. Students must complete all assignments and activities throughout the course. Students who are not adhering to their course schedule, or students who are not maintaining the basic requirements of participation, such as maintaining email communication with their teacher, may be dropped from the course.

Drop Policy

Within 15 calendar days of the online registration, students may cancel enrollment and receive reimbursement, as per the enrollment agreement. An amount of \$50 will be retained for administrative fees. Notification of cancellation must be received via email to eSchool@pisd.edu within the 15-calendar-day period.
