Music Appreciation 2

This group meets in a member's home in Tockwith on the second Tuesday of each month, from 2 to 4 pm.

Nick Hopkinson and Chris Bishop

Our friendly group enjoys a wide range of music from classical to modern songs, instrumental, jazz, opera, choral and vocal. The emphasis is on 'enjoying the sound it makes' and not worrying too much about the theory behind it. Each member brings their own unique appreciation of music and we all benefit from sharing this.

We meet monthly in Tockwith. Each session has a theme, such as Christmas, film music, Shakespeare, dance, overtures, or composers beginning with a particular letter. Occasionally a member will devise an afternoon exploring a particular composer or work. We sometimes have a 'free for all', when each member brings along some items which they want to share, and that's often where we discover gems that add to our enjoyment of music. One such session was new music from the recent season of BBC Promenade Concerts.

Our technology isn't as advanced as the other Music Appreciation group's, and we rely on CDs almost exclusively, but we do use YouTube and Spotify when it is appropriate.

As we meet in a home, we are limited in the number of people we can accommodate, but we currently (Feb-25) have room for a few more members.
