

Authorization to use students' photographs and works realized as part of an educational project

The current request is intended to obtain the necessary consent and authorizations within the framework of the project specified below, knowing that the objectives of this project were previously explained to the minor.

Dear Sir, Madam,

Your child's class will participate in a project called "**United Schools**".

On this occasion, students' work (drawings, photographs, texts, images, sounds, etc.) will be shared with students from partner countries on the United Schools secure social network (<https://app.unitedschools.world/>). It is a platform carried by a French non-profit organization allowing the awakening of young people to other cultures and to the environment.

Photographs showing the students alone or in groups may also be taken.

We kindly ask you to complete the form below authorizing the use of photographs of the minor you represent, performed during this school year, as well as the work possibly carried out by this minor, according to operating modes indicated in this authorization.

We thank you for your cooperation.

The school management.
