

Remote Learning Plan

March 18, 2020

Dear Parent/Guardian,

Due to coronavirus concerns and containment efforts in the city of Tampa, Icon Prep will remain closed through April 15, 2020 (for now). Scholars at Icon Prep have made tremendous progress throughout this school year. To ensure that our students continue to grow and make progress, Icon Prep scholars will begin Remote instruction effective Tuesday, March 24, 2020. Each grade level has access to specific online videos, assignments, and activities to continue the educational momentum for all learners. During remote instruction, most scholars will complete instruction using online learning platforms on computers and communicate with teachers via phone and email.

What if I don't have a computer at home?

Icon Prep will have staff members on campus Tuesday March 24th and Wednesday March 25th from 9:00am-12:00PM and 5:00pm-7:00pm. During these times parents may complete an agreement to checkout a laptop that students may utilize at home to complete assignments.

What if I don't have access to the internet?

Through partnership, Spectrum is able to provide **free Wi-Fi** access for 60 days to households with K-12 and/or college students who do not already have a Spectrum broadband subscription at any service level up to 100 Mbps.

To enroll call 1-844-488-8395. Installation fees will be waived for new student households.

Wi-Fi hotspots across Spectrum's footprint will also be available for public use.
