

54321

5: Write 5 important concepts that are developmental and/or integral to your character. This can be personality, impactful life events, physical characteristics, sentimental items, etc.

- 1.
- 2.
- 3.
- 4.
- 5.

---

4: Write up to four goals you'd like to see throughout the campaign. Please include a mix of both character-driven and player-driven goals.

- 1.
- 2.
- 3.
- 4.

---

3: Create three NPCs that are important to your character. Two must be friendly and familiar to your character, the other should be adversarial.

- 
- 
- 

---

2: Create two secrets for your character; one is a secret your character knows, the others involve them but they are unaware of it.

- 
- 

---

1: Develop one reason why you're going on this adventure. This is what connects you to the other characters and acts as an investment towards the completion of the story.
