Dear Kellogg Families,

What a wonderful day we had at Lee H. Kellogg! It was such a joy to have our Falcons back in the building, filling our school with energy and excitement.

In true LHK tradition, we began the day by welcoming new staff and students, introducing our Kindergarteners, and recognizing our 8th graders as they begin their final year with us. The day was filled with smiles, learning, and the special sense of community that makes Kellogg such a remarkable place.

It's great to be a Falcon!

Together,

Stacey
